

Alpha Kappa Fall Workshop Minutes

August 25, 2012

Hello everyone!! I hope you all had a great start to your new school year. First, we would like to thank Gale Workman for allowing us to meet at FAMU. It was a perfect meeting place.

We began our meeting Saturday stuffing bags for Apalachee Tapestry Magnet School of the Arts. We ended up stuffing 40+ bags and had plenty of goodies to go in them. We all agreed our treats get better and better every year we do this!

We had a wonderful brunch and then started our business meeting.

We began the business meeting by voting to approve the budget. Gale Workman made the motion and Linda Rogers seconded it. All were in favor of approving the budget. Thank you Rhonda for all you do to keep our books precise. We missed you at our meeting but Connie Lewis did a great job collecting our money!

Susan Vinson shared that September 14 & 15th is the Mu State Fall Workshop in Orlando- This event starts with an optional buffet dinner on Friday evening at 6 and concludes with a luncheon on Sat afternoon. Registration is \$54, and hotel cost is \$129 (which we can split up to 4 ways!) She would love for anyone who can to join us.

If you have a new email address please notify Susan or Rhonda of the changes so you can make sure to receive all Delta Kappa Gamma correspondences.

New member initiation is November 3rd. Please be thinking of at least one worthy woman educator who could be added to our society. Membership applications can be obtained online on the Delta Kappa Gamma website.

Susan is asking for any President-Elect nominees to be sent to her. Gale Workman is currently the Vice-President but is not filling the President-elect position.

Finally, we broke into committees to discuss ideas, decide on actions/meetings as needed, and fill out a quick report. Below you will find the committees and openings. (If you have not signed up yet, please let Susan know which committee you would like to serve on this year.)

Jobs & Committees

Meeting Greeter: Dawn James (Name Tags - Connie Lewis)

• **Technology/Communications:** *Identify means of reaching out to the membership. (What can we each do to assist?) Involve new and established chapter members.*
