September 2022

What do you mean it's September? Where on earth did that year go?

I'm sure many of you are all feeling the pressures that come with a new school year. Look at it this way - aren't we lucky to be able to go to a place where we can really make a difference in the lives of others? Think of the impact you will make each and every day that you enter your classroom! WOW!

That's AMAZING - that's YOU!!!!

And for those of you who have been fortunate enough to be able to look back on these warm days and think of all the times that you were "under the wire", meeting after meeting, never enough time to actually spend time with your students. Just reflect a minute and think about how you might be able to actually lend a helping hand in your neighboring school. I'm sure you all remember how to make copies, cut out laminant, listen to a little one read. Take action, Ladies! Reach out and "touch someone" who could use an extra pair of hands. You'll be glad you did.

That AMAZING was YOU, too!

Thank you all for helping me!
