Lambda State Foundation for Educational Studies, Inc.

In 2017 -18 individuals and chapters can provide financial support for the Lambda State Foundation for Educational Studies. The Lambda State Foundation for Educational Studies, Inc. provides funds for members, chapters or coordinating councils to support projects related to the improvement of education in Illinois. The funds for the selected projects come from interest earned on investments; donations from individuals, chapters, special bequests; and proceeds from fund raising projects, ie. the Red Ribbon Badges. Has your chapter included a donation to the Foundation in their budget?

You can also support the work of the Foundation through contributions. The contribution form can also be found on the Lambda State website. Individuals are encouraged to designate that contributions “go directly to fund stipends” so these funds can be put to use as soon as possible. Undesignated contributions will be used for stipends.
