	\$200	<b>Gamma Upsilon (Teresa Staggs)</b>	<b>Gamma Upsilon Readers' Fair</b> Provided chapter funding in the purchase of 30 copies of "The Kite Runner" to share among members for a book discussion, and at conclusion of project to donate to local libraries
2008	\$400	<b>Gamma Iota (Linda Johnson)</b>	<b>Dictionary Distribution</b> Distributed intermediate dictionaries to 30 low-income students
	\$478	<b>Juli Smith, Beth Weiss, Teri Peterson (Mu)</b>	<b>Second Step Social Skills Program</b> Provided funding for a research-based social skills program that has been shown to reduce discipline referrals and increase social competency
	\$329	<b>Rosemary Troxel (Alpha Nu)</b>	<b>Enhancing Reading Instruction with Boardmaker</b> Used a graphics database to create picture/word game cards for remedial reading students or to show history to members
	\$250	<b>Mary Emma Thompson (Alpha Upsilon)</b>	<b>Let's Look for Industry in Illinois Post Offices</b> Assisted with printing of a book in progress on using art in Illinois post offices and focusing on industry in Illinois
	\$424	<b>Rosemary Troxel (Alpha Nu)</b>	<b>Adler Book Club Blog</b> Encouraged a school-wide family opportunity to read a novel at home to children and provided online discussions of story elements and vocabulary
	\$300	<b>Shirley McKinney (Gamma)</b>	<b>Clark County Retired Teachers' Book Project</b> Provided a free book to each first-grade student in Clark County in cooperation with the Clark County Retired Teachers' Association
	\$1,200	<b>Barbara A. Montgomery (Beta Epsilon)</b>	<b>Science and Reading for Special Needs Students</b> Developed a science lab for special education students in response to Illinois requirement of two years of science; taught Voweletics
	\$583.78	<b>Omicron (Charlotte M. Farrell)</b>	<b>Martha's Books</b> Honored memory of Martha Slyter by sharing her love of books with children in the school district she attended and worked in
	\$1,929.56	<b>Nu (Mary L. Sutton)</b>	<b>Cultural Tales</b> Coordinated storytelling, cultural demonstrations, a food experience, and the receipt of books for K-4 students at a social/justice agency

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$600	Beta Phi (Kay Burton)	<b>Book Angels</b> Provided books to literacy deficient children residing in economically challenged families during the holidays
	\$2,000	Ruth A. Wright (Alpha Rho)	<b>AAUW Art Presenter 35<sup>th</sup> Anniversary Exhibit and Celebration</b> Assisted with fees and expenses of a storyteller whose presentations enhanced student appreciation of a two-part exhibit of art created by children around the world
	\$1,000	Phi (Ginnie Hostetler)	<b>Literacy Lifesavers</b> Provided books and resource materials for 6 <sup>th</sup> -12 <sup>th</sup> grade teachers to use in augmenting their curriculum
	\$915	Beta Beta (Alba Blondis, Aileen Pleasant)	<b>National Family Literacy Day/Family Reading Night</b> Provided an evening of shared children's stories with 60 families, ending in refreshments, a raffle, and the receipt of a bag of children's books and a family reference book
	\$1,000	Debra Lynch (Beta Kappa)	<b>Meeting the Need to Read</b> Created two collections of books in large print and books in the Play-Away audio format
	\$400	Nancy Swanson (Beta Epsilon)	<b>Helping Students with Special Needs</b> Provided a sharable set of recommended books for a classroom to enrich, encourage, and provide reading opportunities
	\$500	Gamma Eta (Lydia Piwowarczyk)	<b>Operation Backpack</b> Provided necessary supplies to needy families prior to the beginning of the school year
	\$200	Mary Emma Thompson (Alpha Upsilon)	<b>Let's Look for Farming in Illinois Post Offices</b> Assisted in printing of a book that told a history of farming from the Indians to the 1930s and 1940s
	\$500	Patti Fleser/Melanie Masura (Alpha Nu, Beta Upsilon)	<b>Picture Books in the Middle School Classroom</b> Provided picture books to emphasize topics to Core and Encore classes and Character Education to 5 <sup>th</sup> -8 <sup>th</sup> grade homerooms in Deerpath Middle School
2009 May	\$416.35	Omicron (Charlotte Farrell)	<b>Martha's Books 2009</b> Honor the memory of M. Slyter by sharing her love of books with children in Grundy County, the place where she was born and spent her entire educational career
	\$800	Beta Phi (Kay Burton)	<b>Book Angels – 2009</b> Purchase books as Christmas gifts to specifically designated children who are described as “literacy deficient” and members of economically challenged families
	\$600	Beta Lambda (Rosemary Buffington)	<b>Reading Enjoyment for Low Income Primary Students</b> Purchase two books for each student in the 1 <sup>st</sup> grade at Riverton Elementary School
	\$585	Barbara Baumann (Alpha Beta)	<b>Science – Learning and Sharing</b> Students will use science non-fiction books to create electronic and/or interactive projects to be shared with other 4 <sup>th</sup> grade students
	\$905.50	Nu (Shirley Dresden)	<b>Cultural Tales</b> Coordinate storytelling, cultural demonstrations, a food experience and the receipt of book(s) for K-4 students at a social/justice agency

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$1200	Beta Beta (Patricia Rinkenberger/Lois Cipalo)	<b>National Family Literacy Day/Family Reading Night</b> Model reading children's books to 55 families and end the evening with refreshments, a raffle, library card applications, the receipt of a bag of children's books and a family reference book, and an exit survey
	\$750	Gamma Eta (Lydia Piwowarczyk)	<b>Operation Backpack</b> Provide necessary school supplies to needy families prior to the beginning of the school year
	\$1030	Beta Beta (Elaine Darre Gillies)	<b>Gifts from the Heart</b> Provide children from needy families in to a gift-giving evening so they can focus on giving during the holidays rather than on receiving
	\$2050	Dawn Biersborn (Beta Phi)	<b>Document Cameras Can Increase Academic Success</b> Provide increased visuals in everyday lessons to special education and identified "at risk" students
2009 Nov	\$656	Tammy Winters (Chi)	<b>Art on a Cart</b> Provide art appreciation and art instruction (by volunteers) in elementary school where art is no longer part of the curriculum
	\$2500	Gamma Gamma (Barbara Peterson)	<b>Holy Family Lutheran School Library Programs and Resources</b> Provide a school library (in a school that had no library) with appropriate books for various grade levels and serving a diverse, inner city population; retired educators have collected donated books and will process and staff the library
	\$1795	Janice Johnson & Kathy Davis (Alpha Rho)	<b>Literature Listeners</b> Purchase Plectalk Pocket Players used to download textbooks and other reading material for special education and delayed reading high school students
	\$440	Beta Phi (Linda Adcock)	<b>Family Reading Night</b> Cosponsor (with school and district) a family reading night party; each child will receive a token gift and at least two books to take home
2010 May	\$495	Gamma Iota (Linda G. Johnson)	<b>Family Reading Night</b> Provide 5 <sup>th</sup> grade students who attend a series of evening tutoring sessions at a non-school location with dictionaries, thesauri and a few other paperback books appropriate for their reading levels
	\$750	Beta Lambda (Rosemary Buffington)	<b>Reading Enjoyment for Low Income Primary School Children</b> Purchase books for each first and second grade student at Tallula and Petersburg Elementary Schools; chapter members will visit the schools prior to distribution to read with the children and discuss the books
	\$850	Sigma (Roberta Young)	<b>Read for Success</b> Provide the chapter with funds to choose and purchase one age and reading level appropriate book for each of 190 students in pre-kindergarten through eighth grade; the chapter works with other community organizations on a program where area residents adopt low income students to provide for their needs
	\$1000	Omicron (Charlotte Farrell)	<b>Martha's Books 2010</b> Honored memory of Martha Slyter by sharing her love of books with children in the school district she attended and in which she worked
	\$900	Beta Phi (Kay Burton)	<b>Book Angels – 2010</b> Purchase books as Christmas gifts to specifically designated children who are described as "literacy deficient" and members of economically challenged families

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$1951	Nu (Johanne Grewell)	<b>Cultural Tales from Africa</b> Coordinate four African folktale programs consisting of storytelling, cultural demonstrations, a food experience and the receipt of book(s) for K-4 students at a social/justice agency; also, chapter members share personal experiences, research, dress, native languages, customs and geography with the children
	\$1000	Gamma Eta (Lydia Piwowarczyk)	<b>Operation Backpack</b> Provide backpacks and school supplies for 150 needy children; chapter members carefully shop for school supplies during the summer and meet to put together the backpacks; the supplies are delivered to the school so students are prepared for the first day
	\$1424	Beta Beta (Patricia Rinkenberger and Lois Cipalo)	<b>Family Reading Night</b> Serve 50 families at the Garfield Elementary School who attend the evening activities; families will receive a bag of children's books including a hard cover family reference book, fiction and non-fiction books for varying ages; families will be offered an opportunity to obtain a library card
	\$800	Gamma Upsilon (Nealy Hamson)	<b>June Bug Hugs and June Bug Bags</b> Provide hope to seriously ill, abused or traumatized children and to keep alive the caring behaviors and attitudes demonstrated by a late chapter member by working with high school home economic students to create handmade blankets and play items for these children
	\$2600	Gamma Xi (Joyce Pellicore and Maylo Hranac)	<b>Improving Literacy of Preschool ESL Children</b> Allows for the purchase of two computers to use in preschool learning environments; members will work with the preschool teachers to train them in using the computer software to help young children improve their knowledge and use of the English language
	\$500	Beta Beta (Elaine Gillies)	<b>Gifts from the Heart</b> Provide children from needy families to a gift-giving evening so they can focus on giving during the holidays rather than receiving
	\$1330	Renata Butauskiene (Beta Phi)	<b>Summer Library Program</b> Provide local children with three-hour long activities twice a week at an elementary school for the entire summer; activities include Book Buddies, Readers Theatre, and Home Alone and Life Skills classes; Rebecca Caudill 2011 books are to be introduced; high school students and chapter members are to serve as tutors
2010 Nov	\$250	Delta (Jacqueline Bainter)	<b>A Look into the Historic Past of Bellville IL</b> Provide students of two 4 <sup>th</sup> grade classes in two different school districts with a visit to two historical houses in Bellville; students will compare and contrast the two homes and their contents; chapter members will collaborate with the St. Clair County Historical Society in this pilot program
	\$785	Beta Phi (Linda Adcock)	<b>Family Reading Night</b> Cosponsor (with school, district and community) a family reading night party with a sports theme where older students from sports teams at the middle school will be mentors and role models for younger children; students will participate in various activities; each child will receive a token gift and books to take home
	\$870	Luann Harms (Alpha Beta)	<b>A Carnival of Stories: Storytelling, A Ticket to Literacy</b> Provide Pre-K through 4 <sup>th</sup> grade students at Prairie Central School with a professional storyteller for a day of listening to stories; the storyteller will move between the six grade levels to present stories appropriate to each age group
	\$200	Shirley McKinney (Gamma)	<b>Clark County Retired Teachers' Association (CCRTA) Book Project</b> Provide funds that will assist the CCRTA in giving each first grade student in Clark County a book of his/her own

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$500	<b>Alpha Sigma (Linda Whitaker)</b>	<b>Book Shower</b> Provide funds for books for a Pre-K Special Education classroom of ten students at MacArthur School in South Holland
	\$250	<b>Sue Spurgetis / Chris Beierlein (Mu)</b>	<b>Targeted Reading Help for Response To Intervention (RTI) Students</b> Provide for two subscriptions to Reading A-Z to be used at an elementary school, giving instructors access to a huge inventory of reading materials and targeted, specific assessments of various reading skills
	\$1400	<b>Candace Rosene (Alpha Rho)</b>	<b>SMART Notebook Math Tools Upgrade</b> Provide for the acquisition of SMART board Math Tools software for use in conjunction with the SMART board and TI graphing calculator emulator software in core mathematical competency classes and other courses at WIU and with mathematical education candidates, in workshops for other instructors and in area high schools
<b>2011 May</b>	\$900	<b>Sigma (Roberta Young)</b>	<b>Reading for Success II</b> Provide, wrap, and deliver books in two counties during the holiday season to 140 low-income students to create an interest in reading for the infant to first grade age group
	\$1,000	<b>Beta Phi (Kay Burton)</b>	<b>Book Angels – 2011</b> Provide books during the holiday season for students from literacy deprived or economically challenged homes
	\$1,490	<b>Nu (Johanne Grewell)</b>	<b>Cultural Tales from Africa</b> Provide books used for storytelling, cultural demonstrations, a food experience, and gifts to children during an after-school program at a social/justice service agency
	\$600	<b>Beta Lambda (Rosemary Buffington)</b>	<b>Reading Enjoyment for Low Income Primary School Children</b> Provide three books for each first grade student at a school in Springfield after ordering, sorting and reading aloud one of the books in each classroom
	\$1,000	<b>Omicron (Charlotte Farrell)</b>	<b>Martha's Books 2011</b> Provide read-aloud books for a local school and continue honoring the memory of past president Martha Slyter by fostering the love of reading through reading to students and giving each child a book for their personal library
	\$900	<b>Gamma Eta (Lydia Piwowarczyk)</b>	<b>Operation Backpack</b> Provide backpacks and necessary school supplies for 150 students to help prepare them for the first day of school and to enable them to begin on a positive note
	\$582	<b>Shirley Jordan (Alpha Mu)</b>	<b>Addressing Older Dyslexic Students' Needs</b> Provide high interest/low readability materials to improve reading skills for use at the Children's Dyslexic Center, Northwest
	\$2,671	<b>Renata Butauskiene (Beta Phi)</b>	<b>Reading Corner</b> Provide non-fiction books and one I-Pad in a learning center designed to enable students to complete research for class projects and to read books through different media
	\$300	<b>Gamma Iota (Linda Johnson)</b>	<b>Reference Book Distribution</b> Provide reference books to assist fourth and fifth grade children with their homework completion while attending a twelve-week mentoring program conducted by retired teachers
	\$650	<b>Sherry Woodward (Alpha Epsilon)</b>	<b>Literacy's Autumn Conversation Café</b> Provides adult and children's books and dictionaries to new English speakers and the opportunity to practice their skills in a welcoming, informal environment

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$1,358	Beta Beta (Patricia Rinkenberger/ Lois Cipalo)	<b>Family Reading Night</b> Provide three opportunities for families to participate in Family Reading Night events including a multi-cultural puppet show, shared children's stories for K-5, and an exploration of chapter books with middle school students through improvisation techniques led by professional actors, with all families receiving a bag of children's books
	\$375	Iota (Margaret Trybus)	<b>Mentoring Matters: Guiding Pre-service Students into the Teaching Profession</b> Provide inspiration books and planning calendars to mentor, coach, and inspire K-12 pre-service students planning to enter the teaching profession
	\$827	Beta Beta (Elaine Gillies)	<b>Gifts from the Heart</b> Cosponsor (with a social service agency) a holiday gift-making event for children of needy families with each child making 10-12 gifts "for others" reinforcing the concept of GIVING rather than 'getting'
	\$735	Louann Harms (Alpha Beta)	<b>Multicultural/Multigenerational Reading Partners</b> Provide multi-cultural books and props such as puppets and flannel board characters for third grade students to partner with and read to a preschool class and travel monthly to a local nursing home to read these books and complete activities with the residents
	\$284	Beta Theta (Mary Hauge)	<b>Libros en Espanol</b> Provide gift bag with three books in Spanish to be given to new Hispanic mothers by local hospitals and agencies such as Visiting Nurses along with the additional educational materials on discipline that will be incorporated by the Visiting Nurses
2012 May	\$830	Cynthia Christensen (Omicron)	<b>Reaching Reluctant Readers Through the Use of E-Readers</b> Provide funds to purchase e-readers and supporting materials to motivate and increase the reading fluency and comprehension of reluctant readers
	\$500	Inge Buchberger (Beta Theta)	<b>Getting Ready for the Night Circus</b> Provide copies of the book <i>Night Circus</i> for use by students at local high school prior to author's visit. The books will become part of the reading collection in the high school and middle school libraries and in the district reading programs following the author's visit
	\$765	Beta Beta (Elaine Darre Gillies)	<b>Gifts from the Heart</b> Partnering with a social service agency, provides materials for gift-making and opportunity for children of the "working poor" to make holiday gifts for others
	\$1200	Beta Beta (Patricia Rinkenberger & Lois Cipalo)	<b>Family Reading Nights Events</b> Provided reference books for families participating in Family Reading Nights at local elementary school
	\$600	Gamma Eta (Marcia Jean Cooper)	<b>Operation Backpack</b> Shop for and distribute backpacks and supplies to needy students to encourage a positive start of the school year
	\$1,194	Nu (Johanne Grewell)	<b>American Cultural Tales: African American – Post Slavery</b> Purchase and distribute books and present activities including music, dance, food, dress, crafts, language, customs and geography to K-4 students at a social/justice agency
	\$400	Beta Theta (Mary Hauge)	<b>Parents in Prison: Reading to Their Children</b>

## Lambda State Foundation for Educational Studies Stipend Descriptions

			Provides books to be used in the “Aunt Mary’s Storybook Project” which records imprisoned parents reading a book and then sends the CD and book to the parent’s child(ren) to listen to and follow along
	\$911	Omicron (Charlotte Farrell)	<b>Martha’s Books</b> Honoring past president Martha Slyter, this project purchased books for use in Grundy County Schools
	\$500	Delta (Jacqueline Bainter)	<b>A Look into the Historical Past of Belleville, IL – Year 2</b> Chapter members are involved in sponsoring class field trips to the St. Clair County Historical Society
	\$600	Beta Phi (Kay Burton)	<b>Book Angels</b> Chapter members shop, wrap, and deliver books for distribution to students from literacy deprived or economically challenged homes
	\$500	Sigma (Roberta Young)	<b>Reading for Success</b> Provide age-appropriate books for students from low-income families in local school districts
2012 Nov	\$710	Debra Brady & Sue Spurgetis (Mu)	<b>Rebecca Caudill Enrichment Book Club</b> Provides funds to purchase multiple copies of books from the 2013 Rebecca Caudill list for use with 5 <sup>th</sup> and 6 <sup>th</sup> grade students in a monthly after-school book discussion club in Rock Island
	\$1,500	Linda Whitaker (Alpha Sigma)	<b>Early Childhood Literacy Essentials</b> Provides puppet theater, puppets and books for use by professors and students at Lewis University while working with children in field experiences
	\$380	Louann Harms (Alpha Beta)	<b>Common Core Standards in the Deep Blue Sea: Informational Text and Reading Partners</b> Provides for purchase of informational books for use in a reading project addressing the Common Core Reading Standards and covers transportation to a nursing home where students will read to residents in Fairbury
	\$1,000	Carolyn Thomas & Sara Nimrick (Alpha Rho)	<b>Camp Rainbow for Newcomers</b> Offered a one-day summer outdoor camp experience for two groups of adult special needs community members from Knox and McDonough counties
	\$1,000	Inge Buchberger (Beta Theta)	<b>Additional 21<sup>st</sup> Century Information for the 21<sup>st</sup> Century Student</b> Provide updated nonfiction library books for students at a high school in East Aurora
	\$1,000	Beta Kappa (Jean Rhoades)	<b>Developing A Library for ESL Students for Their Independent Classroom Reading</b> Provide books for ELL classroom libraries for 1 <sup>st</sup> and 2 <sup>nd</sup> grades in an elementary school in Wheaton
	\$500	Beta Phi (Linda Adcock)	<b>Reading Olympics: Mind and Body Fuel the Future</b> Provided educational games and hardcover books used during Family Reading Night at elementary school in Willowbrook
	\$1,900	Alpha Tau (Carolyn Furman)	<b>Baby’s Board Books and Beyond</b> Promotes literacy by providing board books for distribution to babies and toddlers served through the Macoupin County WIC office
	\$1,000	Alpha Nu (Jan Ellen Shawgo and Rosemary Troxel)	<b>Back (Packs) to the Future, the Sequel</b> Provides school supplies for backpacks and Kits for Kidz for at-risk students in Lake County who utilize an area food pantry.
2013 May	\$520	Beta Beta (Karen Birkeland)	<b>Gifts from the Heart</b> Funds to purchase supplies for a project, held in December, in cooperation with the “Together We Cope” social service agency. Elementary school age children are invited to create gifts that they can give to others.

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$1,200	Beta Beta (Patricia Rinkenberger)	<b>Literacy Events</b> Funds to present 4 literacy events for Garfield School. The funds will be used to purchase Spanish/English primary books, primary English books, Junior High books and Graphic novels.
	\$1,322	Nu (Johanne Grewell)	<b>American Cultural Tales: Asian American</b> Funds to purchase books, which will be given to children who participate in the program and to the libraries of the four tutoring groups receiving the presentations.
	\$980	Omicron (Debbie Paulsen & Pam Siedentop)	<b>Martha's Books</b> Funds to purchase books that will be given to mothers/infants residing at the Under His Wings Home. Books will, also, be given to needy families who rely on Under His Wings for supplies. (Martha Slyter Fund)

	\$880	Beta Rho (Trudy Wille)	<b>Bring an Author to School</b> The author of <i>A Girl with a Cape: The True Story about the Super Hero in All of Us</i> will read her book and copies of the book will be in the library. (Funds from Lottie Skidmore Fund – library related)
	\$600	Beta Beta (Pat Rinkenberger & Arieta Bazile)	<b>Squid Dissection Project</b> 7 <sup>th</sup> grade students experience scientific investigation and method, collaboration and communication, teamwork, presentation, and inquiry by examining the morphology of a squid during a student-driven, hands-on dissection.

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$1,100	Beta Beta (Pat Rinkenberger & Literacy Committee)	<b>Double Play (Reading and Math)</b> Garfield School Projects to improve common core reading and math – Book of the Month and Math of the Month.
	\$700	Beta Beta (Carol Schaal)	<b>Gifts from the Heart</b> Funds to purchase materials that provide an opportunity for at risk students to make holiday gifts for others. (Pat Ostewig Fund for Fine Arts)
	\$1500	Gamma Upsilon (Cheryl Taylor)	<b>Rx for Reading and Math Readiness</b> Books are placed in the local medical offices for children to enjoy as they wait to see the doctor in this rural area of Southern Illinois.
2015 Nov	\$385	Chi (Pamela Painter)	<b>Our Heritage: White Hall Pottery</b> Offers an experience with clay as a medium used in art projects for grades K-3 as well as information about the heritage the students share with the pottery industry during the 1930's in White Hall, IL. (Funding from the Pat Ostewig account – fine arts project)
	\$300	Alpha Zeta (Cara Gatchel)	<b>Investigating Truss Forces</b> Students will build scale trusses and investigate forces acting on the trusses. They will test the strength of their hands-on designs and construct model bridges to compete in the Capital Chapter of Illinois Society of Professional Engineers Bridge Design Contest.
	\$550	Alpha Mu (Shirley Jordan)	<b>Literacy with Puppetry</b> This is a sub-project of establishing the Children's Hand-On-Museum of NW Illinois. Puppetry will be used in the schools to teach fluency, story structure and expression of ideas.
	\$600	Beta Phi (Jennifer Burisek)	<b>Book Talk and Shop</b> Sixth (6 <sup>th</sup> ) Graders assigned to Reading Intervention classes, but with no access to public libraries, will participate in a field trip to a local bookstore, hear book talks and select a boo of their choosing to keep.
	\$475	Gamma (Alison Bowen)	<b>Picture This! Digital Storytelling for All</b> This project will allow students to showcase their understanding of content through personalized and alternative formats as well as collaborating and “telling their story” in a graphic format using digital technology.
	\$500	Omicron (Teresa Cameron)	<b>Support Materials to Aid Diverse Teaching in Reading</b> Provides an opportunity to purchase supportive text and literacy items that address point of view (CCSS RL.5.6/RL.4.6) prefixes and suffixes as well as novels aligning with the school curriculum. (Funding from the Martha Slyter Fund)
	\$500	Beta Phi (Debra LeBlanc and Linda Adcock)	<b>Look, Mom and Dad, I'm a Mathematician!</b> Children ages 3-8 will engage in hands-on math/math literacy activities lead by other students as well as teachers. Parents will learn easy ways to incorporate math readiness through everyday experiences and items found at home, as well as accessing math readiness through technology.
	\$250	Delta (Jackie Bainter)	<b>A Look into the Historic Past of Belleville</b> Students in fourth (4 <sup>th</sup> ) grade will continue their exploration of the history of Belleville, IL, St. Clair County, through guided tours and photos.
	\$400	Mu (Val Maston)	<b>Adopt a School: Partners in Education</b>

## Lambda State Foundation for Educational Studies Stipend Descriptions

			The chapter is partnering with Francis Willard School in Rock Island, IL to provide tutoring, teacher mentoring and educational program support.
	\$500	<b>Gamma Eta (Diane Ruiz and Linda Vlasak</b>	<b>Birthday Books</b> The project will be implemented in DuPage School District #45 Villa Park's evening Family Literacy Program at North and Stevenson Schools. The project is designed to celebrate reading and provide language and reading level appropriate books for students Preschool through Grade 5 on their birthday.
	\$1000	<b>Alpha Phi (Deborah Bicknell</b>	<b>Raise a Reader</b> The project is designed to put appropriate multicultural books into the hands of infants, pre-K and early elementary children through four county health department locations, Passavant Hospital and a community Diaper-Bags-to-Backpacks Fair.
<b>2016 May</b>	\$1,000	<b>Beta Phi (Kay Burton)</b>	<b>Book Angels</b> <i>Book Angels</i> is a community service literacy project that gives books to underprivileged children in an effort to improve their chances of achieving success in school.
	\$700	<b>Omicron (Pam Siedentop and Tracy Paulson</b>	<b>Martha's Books</b> <i>Martha's Books</i> honors the memory of their past president, Martha A Slyter. Books are given to newborns and hospitalized children. Funding from the Martha A Slyter Fund.
	\$1,364	<b>Nu (Mary Sutton)</b>	<b>American Cultural Tales – European Americans</b> Chapter members will share personal experiences and research materials to children depicting the traditions and mores of Europeans arriving at Ellis Island.
	\$1,000	<b>Beta Beta (Mary Barnes and Sharon Rivers</b>	<b>Inspiring Curiosity – STEM (Science, Technology, Engineering and Mathematics)</b> The project will allow the young scientists' curiosity to fuel their learning as they reach new levels of their problem-solving skills.
	\$445	<b>Beta Beta (Camille Genewich)</b>	<b>Gifts from the Heart</b> Working with <i>Together We Cope Social Service Agency</i> , Beta Bets sponsors an afternoon for children from families in need to create gifts for their families, thus experiencing the joy of giving and thinking of others. Funds from Pat Ostewig Fund.
	\$600	<b>Beta Beta (Rosemary Sexton)</b>	<b>STEAMing After School</b> The project will showcase the arts as aligned with <b>STEM, Science, Technology, Engineering and Mathematics</b> curricula.
	\$1,750	<b>Omicron (Teresa Cameron)</b>	<b>Our Character Counts</b> <i>Our Character Counts</i> is celebrating right choices made by students utilizing their Character Counts Program. Partial funding came from the Martha A Slyter Fund.
	\$360	<b>Beta Pi (Kay Mason)</b>	<b>Cross Grades STEM Projects (Science, Technology, Engineering and Mathematics)</b> Second and fourth grade classes will design, build, test, revise and re-build seasonal themed <b>STEM</b> projects within the parameters given.
<b>2016 Nov</b>	\$570	<b>Asima Rahman (Lambda Chapter)</b>	<b>Supplies for Success</b> Homeless and/or in transitory shelters will receive support by providing them with book bags and school supplies.
	\$300	<b>Delta Chapter (Jacqueline Bainter)</b>	<b>A Look into Historic Past of Bellville – Year 6'</b> This is the sixth year the chapter has provided a history of Bellville project for students. Students will tour two historic homes in Bellville and compare the homes.

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$500	<b>Teresa Cameron (Omicron Chapter)</b>	<b>Resource Area Materials</b> Materials related to reading are kept in a Reading Resource area, where teachers can access materials and borrow them as needed. The grant will purchase books for the area.
	\$300	<b>Sue Dion (Alpha Lambda)</b>	<b>Zentangle Lessons</b> Five hundred students will benefit from the materials purchased to provide Zentangle lessons, teaching children a creative art form. Funding from the Pat Ostewig Fund.
	\$1,000	<b>Phi Chapter (Ginnie Hostetler)</b>	<b>Math Literacy Kits</b> First grade classes in the three-county area will receive Math Kits that include math manipulatives, file folder games and guidelines for teachers.
	\$754	<b>Beta Beta Chapter (Patricia Rinkenberger)</b>	<b>Earthworm Project</b> 4 <sup>th</sup> – 8 <sup>th</sup> Grade students in two schools will experience scientific investigation and method, collaboration and communication, teamwork, presentation, and inquiry by examining the morphology of earthworms during a student-driven, hands-on dissection.
	\$750	<b>Alpha Phi (Deborah Bicknell)</b>	<b>Raise a Reader</b> Develop a brochure that explains the importance of reading and singing to children, as well as, listening to music. Books for older children are being purchased for local obstetrician’s offices and for pre-natal clinics. This is an ongoing project.
	\$550	<b>Beta Rho (Trudy Wille)</b>	<b>Sisters, Stories and Subs for American Education Week</b> Chapter members and other teachers will read to students during American Education Week in program called Drop Everything and Read (DEAR) and teachers would request specific books for their classroom to be purchased by Beta Rho.
<b>May 2017</b>	\$1,000	<b>Teresa Cameron (Omicron)</b>	<b>Our Character Counts</b> This project will continue to aid in our “Kindness Campaign.” Our focus is choosing, celebrating, and encouraging right choices utilizing our Character Counts program currently in place. Instead of saying “No Bullying!” we would like to show the positive alternatives to bullying focusing on the strengths of our students as they develop good character.
	\$800	<b>Teresa Cameron (Omicron)</b>	<b>iPads</b> This project is to purchase iPads for students to use during Novel time. Students are more excited about learning when technology is used, but the funding simply isn’t there to purchase that technology.
	\$805	<b>Pam Painter (Chi)</b>	<b>Graphic Novel – A Hook into Reading</b> Graphic novels are the current hooks for students in middle school and junior high. Through the purchase of graphic novels the White Hall Township Library will entice reluctant readers to visit the library and begin to enjoy reading. (Funds from Lottie Skidmore Fund)
	\$775	<b>Alpha Zeta (Mary Kay Gatchel)</b>	<b>3<sup>rd</sup> Grade Chromebooks</b> Plans for the Chromebooks will set foundations for third grade students to be successful in middle school and high school, and would make classroom learning easier in all subjects to access, create, share, and evaluate information while encouraging students to collaborate, communicate, think critically and work creatively.
	\$400	<b>Beta Beta (Camille Genewich)</b>	<b>Gifts From the Heart</b> In partnership with the Together We Cope (TWC) Social Service Agency, Beta Beta Chapter sponsors an afternoon for children from families in need to craft gifts for others. There are 10-12 gift stations and the children are asked for whom (family member, teacher, friend) they would like to make that gift. Upon completion, the gifts are wrapped and each child leaves the event with a bag of wrapped and tagged gifts for others in their world, reinforcing the concept of GIVING at Christmas not just getting.

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$1,500	Nu (Mary Jane Sterling)	<p><b>Cultural Tales: Middle-Eastern People, Here and Abroad</b>            Four Cultural Tales programs will be presented focusing on <i>Middle-Eastern People, Here and Abroad</i> during the Common Place academic year with Middle-Eastern guests and chapter members sharing personal experiences from native cultures/countries. Presenters will utilize storybooks and research materials and incorporate music, dance, food, dress, crafts, language, customs games, and geography. Copies of books will be presented to these “at risk” children for their home libraries (expanding knowledge gained to their family members) and placed in Common Place K-4<sup>th</sup> Grade classroom libraries.</p>
	\$1,294	Suzanne Perkins (Beta)	<p><b>Books that Work for Struggling Readers</b>            High quality leveled books to be used with students with special needs in a kindergarten-2<sup>nd</sup> grade self-contained special education classroom. (Funds from Lottie Skidmore Fund)</p>
	\$700	Beta Phi (Kay Burton)	<p><b>Book Angels – 2017</b>            “Book Angels-2017” is a Community Service Literacy Project that gives NEW BOOKS to children in the community and GENTLY USED BOOKS to area adults. The Children have all been classified as literacy and/or economically disadvantaged and usually live in homes where reading materials are scarce or non-existent. The adults served are commuters whose daily travel commences at the Westmont Train Station tat is located in one of the least affluent communities in our area.</p>
	\$1,241	Beta Beta (Pat Rinkenberger)	<p><b>Grasshopper Project</b>            This project will provide students in grades 4<sup>th</sup> – 8<sup>th</sup> a new opportunity to build upon their previous dissections, increase their scientific curiosity, and possibly ignite an interest in a career in medicine, science, animal care, or related fields while addressing the scheduling issues of the Earthworm Project of 2016-2017. The K and K-3 students, will begin to learn and experience scientific discovery methods with the use of the digital microscope as they seek to understand the difference between living and non-living things.</p>
	\$638	Beta Beta (Pat Rinkenberger)	<p><b>Child Assessment Tools Support South Suburban Family Shelter</b>            Provide the necessary assessment tools for the evaluation of child, parent, and family needs of new clients, victims of domestic violence in the south suburban region of Chicago, support the work of the South Suburban Family Shelter’s “Safe From the Start” staff, in whatever ways we can do so legally, as we develop a new relationship with this organization, and collect and provide items necessary for auxiliary SSFS programs, such as, Back to School, Adopt a Family for the holidays, and Kitchen in a Box</p>
Nov 2017	\$1,506	Teresa Cameron (Omicron)	<p><b>iPads for Education (Part II)</b>            Last May I requested, and received, a stipend from Lambda State to purchase iPads for Dummer School. We needed a way for our students to access multiple novels since many of our paperback texts were falling apart. We were able to purchase many iPads and now would like to request funding to purchase seven more iPads necessary to provide students with novels electronically.</p>
	\$400	Shirley McKinney (Gamma)	<p><b>I CAN READ Book Project</b>            The CCRTA has an ongoing Book Project where we give each first-grade student in Clark County a book of their very own.</p>
	\$440	Shirley Jordan (Alpha Mu)	<p><b>Excellerations Building Creative and Critical Thinking</b>            The Children’s Hands-On Museum of NW Illinois is planning to improve their offerings through using these magnetic, translucent, colored tiles. Children ages 3-12 will use them to classify and sort by attributes, explore magnetism and use them for hours of creative and critical thinking in making 3D creations.</p>
	\$1,800	Beta Eta (Diane Peach)	<p><b>Books for Babies</b>            Our chapter will collect and distribute books for newborn babies. We will coordinate with Gateway Regional Medical Center to give each baby and mother a new book and parent materials to encourage literacy at an early age.</p>

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$500	<b>Delta (Jackie Bainter)</b>	<b>A Look into the Historic Past of Belleville (Year 7)</b> We offer 4 <sup>th</sup> graders in St. Clair County schools a field trip to the two historic homes in Belleville. The chapter pays for the buses of all but one school and we have a guide in six rooms in each home. The teachers receive pre- and post-trip activities.
	\$1,000	<b>Alpha Phi (Deborah Bicknell)</b>	<b>Raise a Reader</b> Passavant Hospital Newborn Packets: first chunky book for every newborn along with other educational materials – public library info, calendar, inoculation schedule, etc. Distribution of books, reading/math activity rack cards, and developmental timelines through tri-county health departments, and the Diaper Bags to Backpacks community fair, all books and materials in English, Spanish and French. Information pertaining to the importance of reading and singing to a baby still in the womb, distributed through local pre-natal clinics and OB offices.
<b>May 2018</b>	\$850	<b>Teresa Cameron (Omicron)</b>	<b>Our Character Counts</b> This project will continue to aid in our “Kindness Campaign”. Our school is focused on helping students to make wise choices and encourages them to celebrate diversity. We strive to provide good examples and help students to take leadership in spreading good character through trustworthiness, respect, caring, responsibility, fairness and good citizenship.
	\$750	<b>Louann Harms (Alpha Beta)</b>	<b>Lions, Tigers and Bears</b> Second grade students learn about nonfiction and research by working in collaborative teams to research different ecosystems. As a culmination project of this research they design a zoo habitat based upon their research of plant and animal life in their chosen habitat. Maps and zoo designs show information such as where and what animals would be found in the habitat.
	\$1,200	<b>Jill Sanders-Colgan (Beta Epsilon)</b>	<b>UT Cares</b> UT Cares is a resource room for students that provides daily essentials such as food, toiletries and clothing. UT Cares also provides hands-on functional financial education opportunities.
	\$1,500	<b>Dr. Christina Edmonds-Behrend (Gamma)</b>	<b>Increasing Knowledge of Diverse Individuals Through Literature and Related Materials</b> With the recent focus on perceived lack of reading in youth (including pre-teachers) in the literature base, we seek to increase the amount and diversity of materials within our teacher resource center/children’s library (Ballenger Teacher Center, BTC). Children of diverse backgrounds and abilities need to see themselves in literature to be able to connect with text and for teachers to encourage reading. Pre-teachers need to have access to more diverse texts from which to build lessons and reading opportunities for their students.
	\$1,000	<b>Beta Phi (Kay Burton)</b>	<b>Book Angels 2018</b> “Book Angels – 2018”, one of three community literacy projects of Beta Phi Chapter, seeks to encourage “reading for pleasure” to community children by giving them a new hard cover book during the Christmas holiday season. All of these children have been designated as economically/literacy deprived by their school or social service agency. “Reading for pleasure” has been cited by educators and reading specialists as a very important aspect developing good reading skills and positive performance in the classroom.
	\$440	<b>Beta Beta (Camille Genewich)</b>	<b>Gifts from the Heart</b> In partnership with the Together We Cope (TWC) Social Service Agency, Beta Beta Chapter sponsors an afternoon for children from families in need to craft gifts for others. There are 10-12 gift stations and the children are asked for whom (family member, teacher, friend) they would like to make that gift. Upon completion, the gifts are gift wrapped and each child leaves

## Lambda State Foundation for Educational Studies Stipend Descriptions

			the event with a bag of wrapped and tagged gifts for others in their world, reinforcing the concept of GIVING at Christmas not just getting.
	\$1,077	<b>Beta Beta (Patricia J. Rinkenberger with Arleta Bazile)</b>	<b>Future Scientists and Surgeons</b> At Keller Middle School and Posen Intermediate School, all of the science students will experience scientific investigation and method, collaboration and communication, teamwork, presentation, and inquiry by examining the morphology of a starfish during a student-driven, hands-on dissection. These next generation science standards will be addressed MS-LS2-1, MS-LS2-2; Common core standards: RST.6-8.3, WHST.6-8.7, RST.6-8.9, SL.8.1; ELA.K.W.5.8 This project will provide students in grades 4 <sup>th</sup> – 8 <sup>th</sup> with an opportunity to experience concepts they have only read about before, possibly sparking an interest in a career in medicine, science, animal care, or related fields, while also encouraging hands-on investigations in early elementary students, boosting students' 21 <sup>st</sup> century skills.
	\$960	<b>Lambda (Asima Rahman)</b>	<b>Supplies for Success II</b> This project is designed to provide 60 book bags filled with school supplies for homeless/transient students at Ridgely Elementary School in Springfield, Illinois. Arriving to school with needed materials will assist students in growing academically.
Nov 2018	\$2,109	<b>Teresa Cameron (Omicron)</b>	iPads for Education III Twice before I have requested, and thankfully was granted, a stipend from Lambda State to purchase iPads for Dummer School students. The previously purchased iPads have been so well received by our students and by our educators that a call has gone out pleading me to request more. I am asking once again for seven iPads to provide even more students access to novels for Reading and support programs for Math.
	\$1,000	<b>Erica Herkel-Ritsema (Upsilon)</b>	<b>2019 Poetry Slam – Speak Your Truth</b> 1) Introduction of the poetry slam in the middle and high school English classes 2) Provide weekly writing workshops for 4 weeks during the school day by a member of a local fine arts organization 3) Hold the event on a week night in middle school gymnasium
	\$1,696	<b>Pat Walsh (Beta Alpha)</b>	<b>Exploring Horses, Farms, and Rodeos through Literature and the Arts</b> Cross curricular units exploring horses, farms and rodeos will be developed and implemented to address the strengths and needs of young children with Autism Spectrum Disorders and Developmental Disabilities. Connections in the arts will capitalize on visual strengths of learners with sensory activities to motivate communication and social skills development.
	\$600	<b>Karyn Baldwin and Sandra Cook (Gamma Gamma)</b>	<b>Creating a School Reading Garden</b> To promote reading by creating an outdoor garden on school grounds where students and classes can go to read and appreciate nature. Huff Elementary serves a diverse population of students who come from 95% low income/high poverty homes. This project would not only promote literacy, but science skills as well.
	\$1,000	<b>Kammie Richter (Xi)</b>	<b>Literacy through Graphic Novels for Agricultural Education</b> Literacy through the purchase of two graphic novels delivered to 166 teachers when I visit classrooms as part of Ag in the Classroom: 1. <i>Levi Strauss and Blue Jeans</i> by Nathan Olson, 2. <i>George Washington Carver: Ingenious Inventor</i> by Nathan Olson, in addition to giving 5 books each to the Champaign, Urbana, and Danville libraries for a total of 347 books.
	\$1,800	<b>Gamma Zeta (Judy Brooks)</b>	<b>Books and Bibs for Babies</b> Our chapter will distribute books with hard covers and hard pages for newborns and their parents, plus a high quality bib professionally embroidered with “Read to Me” as a reminder to read to their newborn babies to encourage literacy at an early age. We will coordinate with the two new hospitals in our area, Memorial East and St. Elizabeth, plus continue to contribute to Memorial Hospital in Belleville, Illinois.

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$700	<b>Delta (Jacqueline Bainter)</b>	<b>A Look into the Historic Past of Belleville- Year 8</b> We continue to offer tours of the two historic homes in Belleville, a German street house and a Victorian Mansion. We have guides in each room to point out artifacts in each house. Our chapter pays for the bus and schools come only two years so we can expand our tours into other schools and districts.
	\$1,000	<b>Alpha Phi (Deborah Bicknell)</b>	<b>Raise a Reader</b> Our four literacy projects focus on language and math proficiency throughout the early life of children in three counties. Suggestions on integrating various age levels of use in both areas are given to families in one of three languages to ease their entrance into midwestern American society. Health departments partner with us by giving this information along with a book to each child who is a client.
	\$1,000	<b>Beta (Suzy Perkins) and Alpha Beta (Louann Harms)</b>	<b>Backpacks and Books for Mom and Me Camp</b> We want to provide backpacks full of school supplies and books for 50 children who will be participants in the Mom and Me Camp (summer 2019). This camp is for children whose moms are in prison and it allows them time to visit their moms and also have a camp experience. We hope these backpacks will enhance and support these children and caregivers in having a positive start to their school year even though their moms are in prison.
	\$505	<b>Beta Beta (Arleta Bazile)</b>	<b>A Gift from Me to You</b> Posen-Robbins School District 143½ in partnership with Beta Beta Chapter sponsors an afternoon for children from families in need within the district to craft gifts for others. There are 12-14 gift stations and the children are asked for whom (family member, teacher, friend, etc.) they would like to make that gift. Upon completion, the gifts are wrapped, and each child leaves the event with a bag of wrapped and tagged gifts for others in their world, reinforcing the concept of GIVING at Christmas, not just receiving.
May 2019	\$860	<b>Teresa Cameron (Omicron)</b>	<b>Our Character Counts</b> Funding for this project will allow us to continue our “Kindness Campaign”. Our school is focused on helping all students to make wise choices and encourage the acceptance and value of diversity. We strive to provide positive examples and support of leadership, trustworthiness, respect, caring, responsibility, fairness and good citizenship.
	\$583	<b>Tammy Liefer (Beta Delta)</b>	<b>Hands on Science</b> To help implement the inquiry learning that the Next Generation Science Standards (NGSS) encourages, fifth grade students need scientific tools. Receiving this equipment will allow three classes of fifth grade students to experiment, observe, and ask questions that will enhance not only their scientific knowledge, but their critical thinking and problem-solving skills as well.
	\$1,005	<b>Alpha Theta (Kathleen Betke)</b>	<b>Books for F.I.S.H.</b> Working in conjunction with the McHenry Township F.I.S.H. (Friends In Service Here) Food Pantry, Alpha Theta will purchase, install, and maintain a Little Free Library book exchange near the entrance to the food pantry.
	\$1,000	<b>Beta Phi (Kay Burton)</b>	<b>Book Angels 2019</b> In an effort to encourage “ <i>Reading for Pleasure</i> ,” a habit that has been named a major influence upon success in school, among children who live in homes where books are rare or non-existent, the project buys area children a new hard cover book at Christmas Time. These children have all been classified as culturally/literacy deprived by their school or social agency. Many of them do not have access to a public library.
	\$500	<b>Beta Beta (Mary Usher)</b>	<b>Gifts From the Heart</b> In partnership with the Social Services Agency Together We Cope (TWC,) Beta Beta Chapter sponsors an afternoon for children from families served by TWC. The children spend the afternoon crafting 10-12 gifts for people in their lives (parents,

## Lambda State Foundation for Educational Studies Stipend Descriptions

			siblings, grandparent, teachers, etc.) Upon completion the gifts are wrapped and tagged and the child leaves with a bag of gifts for important people in their lives reinforcing the concept of GIVING at Christmas and not just receiving.
	\$900	<b>Pi</b> (Mary Stayner)	<b>It's All About Books</b> Each year we provide books for the classrooms in our 2 county jurisdictions – JoDaviess and Carroll, switching grade levels each year. We firmly believe that putting books in the hands of children is one of the most valuable projects that we can pursue.
	\$1,071	<b>Beta Beta</b> (Arleta Bazile)	<b>Future Scientists and Doctors</b> Students in grades 4 <sup>th</sup> -8 <sup>th</sup> will be given the opportunity to perform dissection in their science classrooms. This dissection activity will emphasize the importance of respecting the value of dissection and utilize animals that are not endangered. This dissection activity is designed to develop an interest in a career in the sciences with an emphasis on girls in STEM.
	\$730	<b>Beta Rho</b> (Trudy Wille)	<b>Diversification in Reading, Math, and Science</b> This project will provide age-appropriate reading, math, and science materials in K-2 classrooms. Teachers will use books as a supplemental resource to the current curriculum. The books will provide additional social and emotional support for a diversified community of students.
Nov 2019	\$1200	<b>Denese Anderson</b> (Alpha Theta)	<b>Storybook Coding</b> This innovative project will reinforce reading comprehension skills while teaching future-ready skills such as coding, critical thinking, and collaboration. After listening to books read aloud, students will work in groups to draw out the story arc (main events) or the actions of the main character on paper. They will then code mini robots to travel the paths that they drew.
	\$500	<b>Delta</b> (Jackie Bainter)	<b>A Look into the Historic Past of Belleville</b> The chapter has provided guided tours of two historic Belleville homes, a German street house and a Victorian Mansion, for students for many years. The money will be used to help pay for buses so that students can participate.
	\$2000	<b>Teresa Cameron</b> (Omicron )	<b>Chrome Books for Students</b> She plans to purchase 8 Chromebooks with management licenses. There is not enough technology to support their student population since her school has added an additional classroom.
	\$1000	<b>Alpha Phi</b> (Deborah Bicknell)	<b>Raise a Reader</b> The chapter works with three county health departments to provide a book for each child who is a client. Parents are also given suggestions on integrating various language and math concepts into daily life. Both the books and the literacy suggestions are available in English, Spanish, or French.
	\$900	<b>Dr. Felisha Parsons</b> (Eta)	<b>Building Confidence Through Literacy.</b> This project will use literacy to help young girls increase their confidence and self-awareness and become better self-advocates. Girls in 3rd through 8th grade will meet weekly for three months with volunteers to read and discuss books which explore themes related to building confidence. Afterwards participants will receive a gift of four books featuring African American characters.
	\$1450	<b>Judy Hahn</b> (Gamma Eta)	<b>Spectacular Science Family Night</b> This evening program will offer a chance for First Step Pre - schoolers who have been identified as at risk academically and their families to learn about the importance of academics. She plans to purchase science center materials, take-home kits for the families, a science book for each child, and science books for teachers.
	\$510	<b>Beta Beta</b> (Arleta Bazille)	<b>A Gift from Me to You</b>

## Lambda State Foundation for Educational Studies Stipend Descriptions

			They sponsor an afternoon for children from families in need to craft gifts for others. Upon completion, the gifts are wrapped, and each child leaves the event with a bag of wrapped and tagged gifts for others in their world. This reinforces the concept of GIVING at Christmas not just receiving.
	\$392	Kathleen Meyer (Gamma Eta)	<b>Dare to Dream Trip to Fermi Lab</b> Through the Dare to Dream program, a STEAM day is offered in conjunction with FermiLab National Accelerator. At-risk Latina students and their parents/mentors will learn about opportunities in the STEAM field and improve their self-esteem.
	\$400	Kathleen Meyer (Gamma Eta)	<b>Gotcha Pull Prizes for Students</b> As part of their Universal PBIS (Positive Behavior Interventions and Supports) program, students receive Gotchas for behaviors that are safe, respectful, and responsible. Every Friday, nearly 90 homerooms have a Gotcha pull. This grant will help provide monthly material prizes. On the other weeks, students receive coupons for items such as listening to music or being first in the lunch line.
	\$1575	Gamma Epsilon (Christine Scheffel)	<b>CPI for non coaching teachers</b> The chapter will provide CPR training to non-coaching teachers. After participating in this 3-hour workshop, participants will be certified in CPR and other emergency medical procedures and receive Continuing Education Units.
	\$860	Julie Bauer (Beta Pi)	<b>Elementary Science in the 21<sup>st</sup> Century</b> 3 <sup>rd</sup> and 4 <sup>th</sup> grade students will utilize science materials to engage in hands on STEM activities and explorations. These tools will allow students to not just read new vocabulary, but see, feel, and experience science.
<b>May 2020</b>			
	\$1340	Beta Beta (Arleta Bazile)	<b>Future Scientists and Doctors</b> Students in grades 4 <sup>th</sup> -8 <sup>th</sup> will be given the opportunity to perform dissection in their science classrooms. This dissection activity will emphasize the importance of respecting the value of dissection and utilize animals that are not endangered. This dissection activity is designed to develop an interest in a career in the sciences with an emphasis on girls in STEM.
	\$3350 includes partial funding from Pat Ostewig Fund	Alpha Lambda (Sue Dion & Marj Oesch)	<b># Starke Smart Art</b> Research reveals many significant benefits of visual arts education for the learner, from growth in creativity, collaboration, and critical thinking skills to developing confidence, cultural awareness, and positive emotional expression. We believe our students, and through them our community, will benefit from access to visual arts education that is not a part of the current school curriculum. The grant would provide art themed books and media for the learning center to be used in conjunction with art projects, as well as cover costs for a celebration of the project with a “Starke Art Gallery Walk” in April/May 2021.
	\$1050	Teresa Cameron (Omicron)	<b>Our Character Counts!</b> Funding for this project will allow us to continue our “Kindness Campaign”. Our school is devoting great focus toward helping all students to make wise choices and encourage the acceptance and value of diversity. We strive to provide positive examples and support of leadership, trustworthiness, respect, caring, responsibility, fairness and good citizenship
	\$900	Pi (Mary Stayner)	<b>It’s All About Books</b>

## Lambda State Foundation for Educational Studies Stipend Descriptions

			Each year we provide books for the classrooms in our 2 county jurisdictions – JoDaviess and Carroll, switching grade levels each year. It has been very successful for our chapter to provide these books as schools are receiving less and less funding for classroom libraries or materials that reach above and beyond the general budgetary needs and we firmly believe that putting books in the hands of children is one of the most valuable projects that we can pursue. As recipients of this wonderful grant last year, we are thrilled to say that we provided 21 books for 18 different classrooms (2 of which were Rebecca Caudill selections) and the others were some classics as well as contemporary selections chosen by our Literacy committee.
	\$600	Beta Beta (Mary Usher)	<b>Gifts From The Heart</b> In partnership with Together We Cope (TWC) a social service agency that works with families across the southwest suburbs. Beta Beta chapter sponsors an afternoon of gift making for the children served by TWC. The attending children spend time crafting 10-12 gifts for people in their lives (parents, grandparents, siblings, teachers.) Upon completion of each gift the child wraps and tags the gift and places it in a bag. At the culmination of the event every child gets to select a book for themselves. They leave with a bag of gifts for the important people in their lives. We are hoping that we are teaching that it is better to give than receive during the holiday season.
	\$1000	Beta Phi (Kay Burton)	<b>Book Angels</b> “Book Angels” gifts area children who live in homes where reading materials are scarce or non existent. A new hard cover book at Christmas! It is hoped that this gift will help to encourage “reading for pleasure” and foster improved performance in school. Due to restrictive districting and/or parent ineligibility, many of these youngsters do not have access to a public library!
Nov 2020			
	\$1000	Dr. Felisha Parsons (Eta)	<b>“Building Confidence Through Literacy.”</b> This project aims to build confidence and self-esteem in girls from ages 8 to 13 who meet monthly via Zoom to read and discuss books and articles, watch short videos, and have guest speakers. The planned themes include self-love; empathy and gratitude; assertiveness; empowerment; healthy habits; leadership, pride, and goal-setting.
	\$2000	Gamma Zeta (Carol Lunan)	<b>“Books and Bibs for Babies.”</b> They plan to distribute children’s books with hard covers and hard pages to parents of newborn babies along with bibs embroidered with “Read to Me.” Hopefully, the bib will be a continued reminder of the importance of reading to their babies. The chapter coordinates the distribution with Memorial Hospital Belleville, Memorial Hospital East, and HSHS St. Elizabeth’s Hospital.
	\$1000	Alpha Phi (Debbie Bicknell)	<b>“Raise a Reader”</b> project. The chapter puts together a packet of information which includes a calendar for the parents of each baby born at Passavant Hospital. Books and other literacy materials in English, Spanish and French are given to four county health departments. They also provide literacy information appropriate for families with infants through 6 <sup>th</sup> grade to pre-natal clinics and OB offices.
	\$430	Teresa Cameron (Omicron)	<b>“Books to Support Emotional Development of Students.”</b> The books will be used by social worker/teachers to promote self-acceptance, as well as acceptance of others. The text allows students to make right or wrong choices, then see the consequences of each choice. During this time of social distancing all texts would also be available to students during remote learning by way of Google Classroom.
	\$2500	Teresa Cameron (Omicron)	<b>“One School One Book”</b> An event featuring <u>Dragons in a Bag</u> by Zetta Elliott. Reading the book together will provide a way for 880 students (K-5) and their families to unite in the love of reading. District staff will provide multiple means of encouraging the students/families to

## Lambda State Foundation for Educational Studies Stipend Descriptions

			participate in the enjoyment of literature. This is also a valuable way of incorporating community, family and educators under one goal...value the gift of reading.
	\$1200	<b>Kathryn Dombek (Alpha)</b>	<b>“I Want to be a Teacher Camp.”</b> The camp is designed to foster a positive link between high school students and future career choices in the field of education. It includes on-campus experiences as well as involvement in local community classroom settings. Participants will have an opportunity to work with peers, college mentors, current educators, and university faculty members.
	\$475	<b>Kathleen Meyer and Susan Zahrobsky (Gamma Eta)</b>	<b>“Using Art to Cope with COVID.”</b> COVID has negatively impacted the families and community of many of our students. Students with special needs are particularly impacted due to communication and social emotional challenges that they face on a daily basis. By using art to cope with COVID, our students will be participating in a variety of fine motor skills, social skills, speech and language skills, and finding ways in which to cope with COVID in a positive manner.
	\$1230	<b>Lambda (Asima Rahman)</b>	<b>“Supplies for Success.”</b> The chapter will provide 60 book bags filled with school supplies for homeless/transient students at Ridgely Elementary School in Springfield, Illinois. Arriving to school with needed materials will assist students in growing academically. Nonperishable food items will also be sent home with the students.
<b>May 2021</b>			
	\$1340	<b>Beta Beta (Arleta Bazile)</b>	<b>“Future Scientists and Doctors.”</b> Students in grades 4 <sup>th</sup> -8 <sup>th</sup> will be given the opportunity to perform dissection in their science classes. This dissection activity will emphasize the importance of respecting the value of dissection and utilize animals that are not endangered. It is designed to develop an interest in a career in the sciences with an emphasis on girls in STEM.
	\$585	<b>Beta Beta (Mary Usher)</b>	<b>“A Gift from the Heart.”</b> Beta Beta members provide materials and help children from families in need to make Christmas gifts for others. Upon completion, the gifts are wrapped, and each child leaves the event with a bag of wrapped and tagged gifts for others in their world. This reinforces the concept of GIVING, not just receiving.
	\$1860	<b>Pi (Mary Stayner)</b>	<b>“It’s All about Books, 2021.”</b> They annually provide books for the classrooms in Jo Daviess and Carroll counties, progressively exchanging grade levels. These books are a valuable and welcome addition to grade level curriculums. They plan to contact each teacher personally to accommodate their individual needs/requests. This project funded by the Skidmore Fund.
	\$1400	<b>Teresa Cameron (Omicron)</b>	<b>“Our Character Counts”</b> This is to continue their “Kindness Campaign”. The school is focusing on helping all students to make wise choices and encourage the acceptance and value of diversity. This project strives to provide positive examples of and support of leadership, trustworthiness, respect, caring, responsibility, fairness, and good citizenship.
	\$1000	<b>Beta Phi (Kay Burton)</b>	<b>“Book Angels 2021.”</b> For many years Beta Phi has been purchasing hard cover books to give to children at Christmas time. Each gift book is beautifully wrapped. They hope that this gift encourages children who live in homes where they have little access to books to enjoy reading for pleasure.
	\$995	<b>Ayana Hartzol (Beta Beta)</b>	<b>“Level 1- Certified Life Coach.”</b>

## Lambda State Foundation for Educational Studies Stipend Descriptions

			She plans to use these life coaching skills in professional staff development to strengthen her staff both personally and professionally. The knowledge that she gains will be shared with other educators and DKG members to support their efforts and challenges during the pandemic and the future.
	\$980	Tammy Liefer (Beta Delta)	“Hands on Science 2.0” to purchase goggles and laptops for fifth grade classrooms at Chester Grade School. These items will be used in conjunction with the science tools provided by a previous stipend. In addition, the purchase of a variety of science-themed novels for their classroom libraries will allow students to learn about science while practicing their reading skills.
	\$3500	Beta Eta (Diane Peach)	“Building Home Libraries” Classroom students in 3 <sup>rd</sup> and 4 <sup>th</sup> grades will receive one book per month, an additional birthday book, and special occasion books. Approximately 400 students will be able to add books to their home libraries which should help students reach their goal of reading 100 books each year. This project is funded by the Rosebud account which has been established with monies from an anonymous donor.
	\$200	Gamma Eta (Lois Mueller)	“Sunshine Outreach.” The funds will be used to make cheery fall decorations for the residents at the Oak Brook Care Center. The chapter plans to invite a group of special needs junior high students to help them assemble the ornament kits.
November 2021	\$2000	Dr. Felisha Parsons (Eta)	“Armor Down Girls” This project aims to build and “armor” young girls ages 8-14 with confidence and self-esteem through literacy. The young ladies meet monthly via Zoom to read and discuss books, short stories, and articles, learn and watch short documentaries about women in history and have women guest speakers. This project is funded by the Rosebud account.
	\$1000	Alpha Phi (Debbie Bicknell)	“Raise a Reader” This chapter project provides books in English, Spanish, and French as well as math and reading materials to families of newborns through 6 <sup>th</sup> grade children to foster a love of reading and math from birth onwards. The materials are distributed through the local hospital, four county health departments, and OB offices/pre-natal clinics. This project is funded through the Rosebud account.
	\$2100	Nu (Roberta Koscielski)	“Make Art Your Superpower” This project enhances students’ positive creative skills through an artist-in-residence program at the McClure Branch of Peoria Public Library. This project is funded through the Rosebud account.
	\$1820	Julie Bauer (Beta Pi)	“Bringing Art to the Classrooms and the Classrooms to Art” This project was fully funded by generous donations honoring Ursula Sihocky (Beta Kappa) on her 80 <sup>th</sup> birthday. The students at Sangamon Valley Intermediate School will experience an art class focusing on a famous artist once a month in their school and twice during the school year at the Decatur Area Arts Council classroom with certified Art teachers. Classroom teachers will incorporate the art lessons into their Reading and Social Studies curriculum, based on Illinois State Learning Standards for each grade level.
	\$2185	Rakhi Mistry (Gamma Eta)	“Yoga for Change Workshop: Let Yoga Take the Worry Away” Families will have the opportunity to meet the author, Deepali Punwani, of <i>Modaff and Miff</i> , a book specifically designed for children dealing with anxiety. The event will cover the five social emotional learning components through reading, yoga, and art to address the rising mental health concerns among children. This project is funded through the Rosebud account.
	\$3045	Alpha Lambda (Sue Dion and Marj Oesch)	“Art for Starke” Through this project students will create, present, respond, and connect artwork as aligned to the Illinois State Visual Art Standards, fostering student creativity through a variety of art experiences. This project is funded through the Rosebud account.

## Lambda State Foundation for Educational Studies Stipend Descriptions

	\$900	<b>Mu (Julie Bustard)</b>	<p><b>“That Looks Like Me”</b> This is a book drive to collect culturally sensitive books. The books will be distributed to after-school tutoring programs for young readers in the primary grades. These books will come in an attractive, sturdy canvas bag and will belong to the children. They will also have the support of tutors available to help them read the books, if needed. This project was funded through the Lottie Skidmore Fund, which is reserved for library-related requests.</p>
May, 2022	\$1,400	<b>Teresa Cameron (Omicron)</b>	<p><b>“Our Character Counts”</b> This is to continue their “Kindness Campaign.” The school is focusing on helping all students to make wise choices and encourage the acceptance and value of diversity. This project strives to provide positive examples of and support of leadership, trustworthiness, respect, caring, responsibility, fairness, and good citizenship. This project is funded through the Rosebud account.</p>
	\$1,000	<b>Diane Ruiz (Gamma Eta)</b>	<p><b>“Happy Day Birthday Books”</b> First Step is an early childhood program serving children ages 3 - 5 years, offered by the Villa Park School District, DuPage County, Illinois. First Step serves a total of 250 children with academic disabilities and/or at-risk factors. This project will allow the recipients to give the children a book to honor their special day and start building a family library, encouraging families to read to their children and begin a family library which will hopefully have a positive impact on their journey towards reading! This project is funded through Ursula Sihocky’s birthday donation.</p>
	\$1,000	<b>Beta Phi (Kay Burton)</b>	<p><b>“Book Angels 2022”</b> For many years Beta Phi has been purchasing hard cover books to give to children at Christmas time. Each gift book is beautifully wrapped. They hope that this gift encourages children who live in homes where they have little access to books to enjoy reading for pleasure. This project is funded by the Skidmore Fund because it is library related, and one school involved does not have a library and will be able to institute one.</p>
	\$1,260	<b>Beta Beta (Arleta Bazile)</b>	<p><b>“Future Scientists and Doctors”</b> Students in grades 4<sup>th</sup>-8<sup>th</sup> will be given the opportunity to perform dissection in their science classes. This dissection activity will emphasize the importance of respecting the value of dissection and utilize animals that are not endangered. It is designed to develop an interest in a career in the sciences with an emphasis on girls in STEM. Previously over 700 students have been involved. This project is funded through the Rosebud account.</p>
	\$640	<b>Beta Beta (Barb Hayes)</b>	<p><b>“Gifts from the Heart”</b> In partnership with the Social Services Agency Together We Cope (TWC), Beta Beta Chapter sponsors an afternoon for children from families served by TWC. The children spend the afternoon crafting 10-12 gifts for people in their lives (parents, siblings, grandparents, teachers, etc.) Upon completion the gifts are wrapped and tagged, and the child leaves with a bag of gifts for important people in their lives reinforcing the concept of GIVING at Christmas This project is funded by the Rosebud account.</p>
	\$2,320	<b>Donna Wood (Gamma Zeta)</b>	<p><b>“One School One Book One Community”</b> A whole school (preK-5) event will take place as we read <i>The World According to Humphrey</i> by Betty G. Briney. Reading this book together will provide a way for our students, families, and staff to connected during our year-long 150th celebration. Staff members will read chapters using Flipgrid where families can respond and develop other engaging activities to create a culture of literacy in every home and bridge the gap by offering tools, resources, guidance, and support. 450 participants are involved. This project is funded through the Rosebud account.</p>
	\$200	<b>Gwendolyn Maxie Brown</b>	<p><b>“World HIV/AIDS and Social Health Awareness and Prevention Seminar”</b></p>

## Lambda State Foundation for Educational Studies Stipend Descriptions

		<b>(Beta Beta)</b>	This is a Youth Health Seminar that addresses public health issues found to be in crisis among young adults and adolescents 14 years to 24 years old in our community. The National council of African Women II. Branch in partnership with Prairie State College Dist. 515, IDPH, Sertoma Center Inc., UICC will host this event for several high school districts including Bremen, Bloom, Thornton, and Rich High Schools. The topics and activities presented are interactive discussions about the crisis in communicable diseases, Covid and adolescent health practices and safety, suicide prevention and mental health, and Smart decision making - Healthy lifestyle choices.
	\$4,000	<b>Julie Bauer (Beta Pi)</b>	<p><b>“Multi-Cultural Arts Experience”</b></p> <p>Each month the students will study one country through fiction and nonfiction books, art projects, and music. There will be one field trip to the Decatur Area Arts Council for an art class, and two visiting artists—one teaching dance and one teaching yoga. A large world map will be displayed in the school library throughout the year with pictures from the featured country. The library aide will include folktales and information books in her lessons and the music teacher will use instruments purchased with these funds. The cross-curricular approach will allow teachers and students to explore the countries in new ways. Students will view each country as more than a place on a map, and will compare and contrast cultures, as well as gain an appreciation for places they may never see. Reading folktales from each country will enhance the state ELA standards for literature. Students will write about each month’s art project following a provided template.</p> <p>This project is funded partly through the Rosebud account and \$1,000 is funded by the Pat Ostewig Fund.</p>
<b>November 2022</b>	\$1,036	<b>Teresa Cameron (Omicron)</b>	<p><b>“Wilson Reading System Materials”</b></p> <p>As a recently Level 1 certified Wilson Reading System practitioner, Teresa Cameron is slowly trying to build materials to use with students. Currently she only has materials for Levels 1-6. However, she has several students who will be moving beyond Level 6 before the end of the year and she needs materials for Levels 7-12 to accommodate their reading needs.</p> <p>This project is funded through the Charlotte Farrell account.</p>
	\$1,975	<b>Linda Adcock (Beta Phi)</b>	<p><b>“The Teacher Leadership Summit”</b></p> <p>Teach to Lead invites teams of Illinois educators from school districts, colleges and universities, and partner organizations from across the state to submit proposals outlining a problem of practice that they wish to address through teacher leadership. This Summit provides an opportunity for students all over the state to experience the positive impact of teachers and administrators collaboratively working together to improve educational climates and instruction in districts and schools. Paired with an expert, teams use the Logic Model to map out their actions and to set goals for improving student success.</p> <p>This project is funded through the Charlotte Farrell account.</p>
	\$1,705	<b>Alpha Nu (Jan Ellen Shawgo)</b>	<p><b>“Kids’ Corner”</b></p> <p>Alpha Nu Chapter will provide books for KIDS’ KORNER, the children’s waiting room for ages 2-12, at the Lake County Courthouse in Waukegan, IL. Their Give-A-Book project is in need of books since every child visiting KIDS’KORNER chooses a book to take home, and, while waiting, KIDS’ KORNER also has a library of books for the kids to enjoy. The KIDS’ KORNER attendees are children whose parents or guardians are conducting court business.</p> <p>This project is funded through the Rosebud account.</p>
	\$630	<b>Beta Sigma (Marla Ewers)</b>	<p><b>“December Books and Buddies”</b></p> <p>December Books and Buddies is a continued effort to nurture literacy in the preschool population as well as involving the parents in the process. This is an annual program which started in the mid-1980’s and has been mainly chapter-funded since its inception.</p> <p>This project funded through the General Fund.</p>

## Lambda State Foundation for Educational Studies Stipend Descriptions

\$800	<b>Delta (Jackie Bainter)</b>	<p><b>“A Look Into The History Of Belleville”</b> Fourth grade students will tour the two historic homes in Belleville, IL. Delta members, St. Clair County members and friends will be guides in the rooms. Delta Chapter will pay for the buses, so this is a free ½ day trip. This project funded through the General Fund.</p>
\$2,600	<b>Faith Skinner (Gamma Rho)</b>	<p><b>“From Sea to Shining Sea”</b> From Sea to Shining Sea are two inquiry based units on geography social science standards in kindergarten and first grade. These units will use dramatic play, guided play, inquiry provocations and purposeful learning experiences for students to learn about places within the United States along with different modes of transportation. This project funded through the Charlotte Farrell account.</p>
\$1,500	<b>Becca Massey (Beta Pi)</b>	<p><b>“Panther Pawlooza”</b> This is an immense and imaginative project that will affect every Life Skills and Essential Skills student in the Decatur Public School District. These students are often not part of the regular school day activities, and it is wonderful to see a day especially for them. This event will include a sensory museum, including activities from Eisenhower High School organizations, the Scovill Zoo, and other community partners. Several businesses, as well as the school district, are offering in-kind donations to keep the cost manageable. This project funded through the Rosebud account.</p>
\$1,000	<b>Alpha Phi (Debbie Bicknell)</b>	<p><b>“Raise A Reader”</b> Alpha Phi continues to foster a love of reading and learning from birth onward through elementary school by giving children and their families books, reading and math materials, and literacy information. Alpha Phi does this in three different languages to meet our counties’ diverse populations. This project funded through the Lottie Skidmore Fund.</p>
\$1,350	<b>Pi (Jane Yoder)</b>	<p><b>“It’s All About Books”</b> Pi Chapter has been providing books for elementary classrooms in Jo Davies and Carroll counties. Each year they have provided books for a different grade level based on requests from the particular grade level teachers they are providing titles for. Requests are made for titles that support curriculum areas or special programs (i.e. Illinois Monarch books) or various interest and reading levels of the students. This project funded through the Rosebud account.</p>
\$2,000	<b>Nu (Roberta Koscielski)</b>	<p><b>“Make The Arts Your Superpower Through Storytelling”</b> This project will enhance students’ positive creative skills through an artist-in-residence program at the McClure Branch of Peoria Public Library. This grant will establish an opportunity for local artists to apply to be the artist-in-residence: they will informally teach students during “office hours” at the branch, provide formal learning in a monthly library program, and work closely with community organizations that serve young people to formally teach children/teens in the community. This project funded through the Rosebud account.</p>
\$320	<b>Stephanie Benson (Omicron)</b>	<p><b>“Circuitry Science Fun”</b> In this unit of study, 6<sup>th</sup> – 8<sup>th</sup> grade students will be introduced to several key concepts of electronic circuits. They will use the requested hands-on supplies and complete activities to learn about some of the physics behind circuits, the key components in a circuit and their pervasiveness in our homes and everyday lives. This project funded through the Ursula Sihocky birthday donation in the General Fund.</p>
\$2100	<b>Gamma Zeta</b>	<p><b>“You’re Invited To…”</b></p>

## Lambda State Foundation for Educational Studies Stipend Descriptions

		<b>(Dr. Brenda Bennett Doll)</b>	Gamma Zeta is planning its first Meet the Author Day at Marissa Elementary School (the first school of the ten elementary schools in our area), which will include a school visit by a children’s book author(s). The author(s) will provide assembly presentation(s) and individual classroom visits engaging students through an author book share, a question-and-answer period to encourage student and author interactions, and author introductions to standards-based, classroom teacher planned activities. The author(s) will be asked to share their own writing process strategies, as well as literacy experiences from their school days which will motivate students to become more active and engaged in their own literacy skills growth. This project funded through the Rosebud account.
	<b>\$815</b>	<b>Felicia Parsons (Eta)</b>	<b>“Armor Down Girls”</b> This project aims to build and “armor” young girls ages 8 to 14 with confidence and self-esteem through literacy. We meet monthly to read and discuss books, short stories, and articles; learn and watch short documentaries about women in history and have women guest speakers. The planned themes are grounded in confidence but also include over-arching significant points: self-love, self-worth, empathy, gratitude, assertiveness, empowerment, healthy habits, fiscal literacy, leadership, and pride. This project is funded through the General Fund.
			<b>Since 1987 through November, 2022, 404 stipends totaling \$350,994.35 have been awarded.</b>

Updated, BHJ and CAB, November 19, 2022
