Re: Cover letter for monthly mailing

November 2015

Fall brings with it cool temperatures and the beauty of the leaves to Illinois. Hopefully you were able to attend the Creative Arts Retreat to spend some time in nature.

Thanksgiving is coming up soon and Christmas is just around the corner! Time does fly!

The mailing this month is much smaller than the past few months. Sylvia's letter contains details about whom to share items with.

An address change for the following should be noted:

Please change my address to:
4540 E 2000 North Rd.
Fithian, IL 61844

Sincerely,

Dr. Kammie Richter, Lambda State Executive Assistant
