

LEADERSHIP ACADEMY/ TRAINING FOR CHAPTER LEADERS

CHANGE! Thanks to Co-Vid 19 change has become a new way of life and has caused more changes to our Leadership Academy Trainings and this time we got it RIGHT. The trainings will now be through ZOOM so no one has to leave the comforts of their own environment.

The training sessions will provide you with the opportunities to learn more about your role as key women in leading your chapter members in becoming much more involved in DKG activities at the local, state and international levels.

You will not only be helping yourself become more familiar with all aspects of your job as a chapter leader, but you will also be helping others to understand what it means to be a leader in a very diversified organization.

We want no leader left behind, unsure of her job responsibilities or concerned that she will not be able to perform her duties appropriately, therefore all state leaders will present together so all participants will hear the same information and can share ideas and have answers to any and all questions addressed during these sessions.

Again there will be the opportunity to select between two different dates and times to participate in the Leadership Academy Trainings through **ZOOM**.

The first session will take place on **SATURDAY, AUGUST 8, 2020 FROM 9:00 A.M.- 12:00 NOON.**

The second session will take place on **FRIDAY, SEPTEMBER, 25 2020 FROM 1:00 P.M.- 4:00 P.M.**

All you have to do to join one of these ZOOM sessions is to email, call or write your desired time and date of participation to Deborah Lambeth by **Saturday, August 1, 2020** so we can be sure to accommodate everyone who wants to receive the training. There is no registration fee required for these trainings through zoom.

Change is very hard but it is sometimes necessary to continue to lead a well rounded and productive life through supporting, sharing and serving the needs of those changes in DKG.
