The Literacy Committee is now challenged to include writing and math along with reading activities. The following questions reflect the need for information to accomplish committee goals. This information will be used to prepare Newscaster articles, recognize chapter projects and community partnerships, programs, and achievements at convention.

Please list and explain reading plans/activities that your chapter is involved with during this biennium.

Please list and explain writing plans/activities that your chapter is involved with during this biennium.

Please list and explain math plans/activities that your chapter is involved with during this biennium.

Has your chapter utilized the literacy certificate to recognize a person or group in your community for literacy achievements?
