We are very excited to announce that Becky Retzer, of Gamma Epsilon Chapter, will be directing and coordinating the Lambda State Instrumental Ensemble at the State Convention in Frontenac this year! It is very exciting to have her joining us in this music leadership role!

Becky has been a participant in the Lambda State Instrumental Ensemble for many years and has participated in many Lambda State conventions.

Becky is a flutist with many years of experience, and currently plays both in an Alton area Municipal Band in summer and an Alton area Community Band in winter. She also loves vocal music, and has been a staunch member of the Lambda State Choir for many years.

Becky has 3 more years of teaching until her retirement as a Special Education teacher at Alton Middle School. She is looking forward to working with Diane Kettelson who recently retired as Director of the Instrumental Ensemble, as her mentor.
