Re: Visitation in 2019-2020

July 20, 2019

Thank you for your service to DKG IL this first year of your biennium and for completing your Visitation Report due June 30, 2019.

Please continue your relationship with the ambassador assigned to you by Dr. Margaret Trybus. I encourage you to ask questions and share your concerns with your ambassador throughout the year via emails, texts, phone conversations, and informal contact at the September Executive Board Meeting and the April Convention in St. Louis. There is no funding for personal visits to the chapters and no liability insurance for ambassadors. Therefore ambassadors will not be required to visit chapters in 2019-20. Some of the ambassadors may choose to attend a meeting on their own. If this is the case, they will make those arrangements with you.

You are encouraged to continue to implement the goals established at the TCL in 2018. The Visitation Report due June 30, 2020 may be completed but is not required this second year.

New procedures will be communicated in the spring of 2020 as the visitation process begins again in the first year of a new or returning Chapter President's biennium.

Questions may be addressed to me by any of the means shared above.
