September Meeting

What a wonderful hidden treasure we have in our own back yard. Gibson Woods is a quiet retreat whether you walk the paths or sit inside in an easy chair watching the wildlife. Living in this area all my life I learned a great deal about how our area evolved. Loyce Fandrei presented a very interesting power point "Life in the Woods" on the formation of Gibson Woods. I would love to see the second portion of the power point.

Great treats were provided by the refreshment committee, and we all enjoyed the fellowship with the rest of our Beta Delta sisters. We were reminded that our dues are due as soon as possible, and we voted to raise our dues to \$75. Cheryl Banas and Dolly Malciauskas are recovering from medical issues but are on the mend.

Rose of Sharing

We collected \$26 at the September meeting and \$43 at the October meeting. This is 45 percent less than last year. The Rose of Sharing is a free-will donation at our meetings so each dollar is appreciated, but we are hoping to fund the SEE project—Supporting Early Career Educators. If you have not attended a meeting, but would like to donate to this project, you may send your donation to Jo Ann Manes, chapter treasurer. Thank you.

November Initiation Dinner

Our dinner meeting will be on Wednesday, November 18 at the Sheffield's Restaurant, 1027 Sheffield Ave. in Dyer. We will not be installing anyone at the meeting, but we will have a recommitment ceremony and honor some members.

Reservations are required. The reservation form is included with this newsletter. There will be an entrée choice of herb chicken or 6 oz. sirloin steak. The cost is \$25.00. The reservation deadline is:

Tuesday, November 3rd

Please send reservation and check (payable to—DKG—Beta Delta) to Jo Ann Manes.

Thinking of our members...

Cheryl Banas...after surgery she spent more than 20 days in the hospital and nursing home. She is now at home, but must be on bed rest for this month. We are glad to see that she is on the road to recovery.

Dolly Malciauskas broke her leg, but is now home. She is still on a walker for now, but looks well as she attended the October meeting.

Steffie White had a second surgery to her neck. First to remove a lump and the second to see if there was any cancer. She is all clear and at home.

We are so glad to hear these three are on the mend. If any member is having a health problem, we want to know. Please contact Janice Frey and Penny Allen.

**** New Contact Person ****

We don't want to think about it, but...if a member is ill or there's a death in a member's family, you need to contact Janice Frey- janicefrey@att.net . She will send out the email message to the members and contact Penny Allen who is in charge of sending cards and flowers.

Did anyone notice someone who came to the September meeting wearing a red top, rose necklace and her DKG pin? She came to the October meeting with another red blouse, rose necklace and DKG pin? Wonder if she will wear it at the November dinner meeting? Do you know who she is?
