**HAPPY NEW YEAR!!!**

We have the upcoming AGS Convention, Chapter Nominating Committees preparing a slate of officers for 2016-18, and for some of us, the closest and best DKG International Convention in Nashville at the Gaylord Opryland on July 5-9. Come for the

entire convention or come for one day, just join us. We will be nominating Jane Thompson, BETA from the floor for Southeast Regional Director. She will need our support!

This newsletter has everything you need to know about the AGS Convention at the Pikeville Hilton, and I do hope you will join us. It is my first convention as State Organization President, but this is second go round for NU, TAU, and ALPHA GAMMA chapters, who will be hosting us. We will do our business and then have a good time!!! Join us to celebrate, honor, fellowship, and have fun.

I often wonder why someone would be a Chapter officer, President, or State officer. When I became a member, I was overwhelmed by the support I received financially and personally. When the Nominations Committee asked me to serve as an officer, I was perplexed as to why they would select me, but I was so honored to serve and give back to a group that had been so good to me. Ditto for serving as a State officer. Never a quick learner, it has taken me 18 years to understand what many of you already now. Whether it was my service, someone's initiative, or by God's will, I am blessed to be Kentucky's State President. I am being very honest when I say I really dreaded all of the work, time, and more work. But this fall, I discovered I

had been given a gift! I was a beaten down educator, yet DKG gave me the opportunity to grow as a person. I have been loved, supported, encouraged, and nurtured every step of the way. It has been work, but it is rewarding and enjoyable work. I believe I am growing from my experience and blessed by the opportunity.

Therefore, *I encourage you to accept the position if you are asked to serve our beloved organization.*

# Educational Excellence

by Kathy Zwanzig, 1st Vice President

## PICK YOUR PASSION!

This is the challenge from the International Educational Excellence Committee for each and every member of DELTA KAPPA GAMMA. This can be accomplished through State, Chapter, and individual efforts.

### Pick Your Passion

1. Empowering women through leadership opportunities.
2. Promoting Educational Excellence through programs and projects.
3. Changing Global Awareness through collaboration worldwide.

### Determine How to Achieve the Goal

1. Inviting Key Women Educators to Membership in DKG
  - Mentoring Early Women Educators,
  - Mentoring members of your Chapter for Future Leadership Opportunities within the Society, and
  - Providing Leadership Training (to Young Women Educators and Students at all levels)
2. Planning informative and interesting programs for the Chapter and for the Community
  - Creating and implementing projects that address needs in the education profession,
  - Adopting a young teacher/faculty,
  - Supporting the International project, Schools for Africa,
  - Creating and implementing activities in which connections are made with educators worldwide.

Just use your imagination!!!

### Determine at What Level You Want to Work toward the Goal

1. Individual: Decide what you can do on your own to achieve your Passion/Goal.
2. Chapter: The Chapter Educational Excellence Committee can select a Passion/Goal and construct a way to achieve it.
3. State:
  - We are already addressing the Passions/Goals of the Society through the following:
    - ⇒ Annie Award for Programs and Projects,
    - ⇒ Educational Excellence in the Classroom (EEC) Award
  - We will be instituting two statewide initiatives this year:
    - ⇒ Supporting Early Educators (SEE) Project
    - ⇒ Schools for Africa Project

What can YOU do NOW? You can put your thinking cap on to help create the KY State SEE and Schools for Africa Project. The Educational Excellence Committee requests your input and creativity. We invite you to meet with us during the State Convention in Pikeville - either Friday evening or Saturday afternoon - to take ideas from Individuals and Chapters. If you are not going to be at the Convention, but want to be involved, contact me or one of the members of the EEC Committee and we will include you when we have meetings on "Go To Meeting".

## Don't Forget...

### Due March 1:

- \* Annie Award Application
- \* EEC Award Application
- \* Volunteer Hours Forms

# Membership

by Dr. Elisabeth (Beth) Pyle, 2nd Vice President

Membership has many facets; although most often the recruitment of new members takes the forefront with retention close behind. However, I would like to take a few moments to discuss the importance of remembrance in the overall picture of membership. I write this because Chapter Necrology reports are due.

These reports help assure that those DKG teachers who died during this past year will be remembered; each made a unique impact on so many students. This is vital for the spirit of DELTA KAPPA GAMMA to continue from year to year, decade to decade. I find it comforting that I, too, will one day be remembered at the Chapter, State, and International levels for the effect I had on students and others in the educational picture. Therefore, please send me your Chapter's Necrology report and, if possible, have a representative from your Chapter attend our State Convention to remember our sisters in the Celebration of Life Ceremony.

In my last article, I mentioned that I would be discussing the "5 Why's Analysis" and the "SWOT" (Analysis of Strengths, Weaknesses, Opportunities, and Threats). Both of these tools are available in detail of the International website, but I wanted to briefly explain the benefits so chapters can utilize them.

The "5 Why's Analysis" tool provides a method for a Chapter to move past symptoms and understand the true root cause of a problem. By asking "Why?" five times you can drill down into a problem deeply enough to understand the ultimate root cause. In addition, because there might be multiple issues with multiple symptoms to investigate, it is necessary to complete the "5 Why's" for each one. The picture that emerges may bring the solution(s) into focus.

Another extremely helpful tool is the "SWOT" analysis. The acronym SWOT refers to a method of analysis used in strategic planning, but it can be used for analyzing any situation or decision.

Basically, SWOT provides a procedure for identifying internal and external factors that are favorable or unfavorable to achieving a certain objective. It is particularly helpful in identifying areas for development. The two main categories for analysis in SWOT are: 1) Internal factors – The strengths and weaknesses internal to the individual/group/organization and, 2) External factors – The opportunities and threats presented to the individual/group/organization by the external environment.

For further information about the "5 Why's Analysis Tool" and SWOT Analysis please refer to the DKG International website:

One last thing --- See you all in Pikeville for a weekend of DKG fellowship, friendship and fun!

## KAPPA – HOPKINS and CHRISTIAN COUNTY, KY

by Ruby Sneed

Members of KAPPA Chapter met at Brother's Bar BBQ conference room on Saturday, November 14th in Madisonville. We had 24 members in attendance for our special fall meeting. We began the meeting by initiating our new member, Beverly Fort.

Beverly is a Murray State representative for the 2+2 program at Hopkinsville Community College. She worked closely with our Chapter last fall in helping us support excellence in education by involving our Chapter in partnering with the GOAL committee's reception for Christian County educators. Our KAPPA Chapter donated six \$25 gift cards for this occasion. We are honored to call her one of our own.

After the initiation, we held our KAPPA meeting, while enjoying delicious Brother's BBQ.

President, Ruby Sneed, called a brief break and allowed members to check their silent auction bids. This was the most items ever submitted to our Silent Auction project. Monies from the auction will go toward our Chapter scholarship fund and to the World Fellowship Fund. By the end of the bidding process, we had raised \$625. World Fellowship will receive \$307.

Members also picked up their cases of pecan & various nut sales which resulted in a profit for our Chapter of \$271. This money goes toward our projects and convention/workshop fees.

Kappa chapter is sad, however, to report the death of one our beloved members, Deborah Withers. Ms. Withers has not been able to attend in quite a few years due to health. She taught Home Economics at Providence High School for 30 years. Her death is a reminder to us all to make a difference while we're here for we never know what tomorrow holds.

The meeting was adjourned and members were encouraged to attend the Spring State Convention in Pikeville and the International Convention in Nashville.

# MU – ELIZABETHTOWN, KY

by Angela Isaacs

The January meeting of MU Chapter was held at First Christian Church of Elizabethtown. The meeting was called to order by President Cherie Mingus. Patsy Young gave us a moment of inspiration based on Lamentations 3:22-23.

*“Because of the Lord’s great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness.”*

During the business portion of our meeting discussion was held on where to hold the 2017 AGS Convention being hosted by MU Chapter. More research is going to be done and the information will be brought back to the committee. A program and project were selected to be sent in for consideration for the Annie Award given at AGS Convention.

After the business meeting concluded, we broke for a delicious lunch of baked potato bar and salads. The program portion of our meeting was a real “Bucket Filler”. Byrle Thomas and Diane McCamish led us in painting a beautiful picture of spring tulips. It was a true nurturing of mind and soul. It was fun and relaxing and stretched us to do something many of us felt we couldn’t.

# XI – LOUISVILLE, KY

by Kathy Zwanzig

On Saturday, December 5, XI Chapter gathered at The University Club on the campus of the University of Louisville for our Holiday Meeting and Breakfast.

In addition to our business meeting, we welcomed four new members, Jane Hunt, Erin Moss, Cindy Shiroma, and Johns Tucker.

Our entertainment was arranged by new

members Erin Moss and Cindy Shiroma who recruited a Manual High School student and her sister, a Manual alum, to sing and play their ukuleles for us.

To raise money for our Grant-in-Aid, we had a drawing for gift cards. Our members donated gift cards from various merchants in the area: Kohl’s, Olive Garden, Starbucks, Texas Roadhouse, etc. Members purchased tickets and placed them in a container in front of the

cards they wanted to “win”. Sandy Smith and Linda Jewell then drew the winners for each card. It was an easy and fun way to make money for deserving young ladies wishing to pursue a career in education!

XI Chapter members always enjoy the Holiday Meeting as it usually serves as the kickoff for the Holiday Season for many of our members.

# UPSILON – NORTHERN KENTUCKY

by Priscilla Roberts

Robert Louis Stevenson once penned these words: "So long as we love; we serve; so long as we are loved by others, I should say we are almost indispensable; and no one is useless while he has a friend." Stevenson's words certainly are applicable among our DKG sisters, and when 22 of us gathered at Bob Evan's on January 9 for a big breakfast, a brief meeting, and then a journey to the Taft Museum in Cincinnati, our hearts and our minds and tummies were filled in more ways than one!

Charlotte Depew, Marylyn Majancsik, Estelle Martin, Rebecca Taylor

What was originally known as the Baum-Taft House is now known as the Taft Museum of Art, located at 316 Pike Street, Cincinnati, Ohio. This beautiful museum is a National Historic Landmark, once inhabited by some of "Cincinnati's leading citizens for several generations." In fact, "Iron magnate David Sinton bought the house in 1871 and lived there with Anna, his only surviving child, and her husband, Charles Phelps Taft." Later on, Charles' half brother, William Howard Taft, "accepted his party's nomination for the U.S. Presidency from the house's portico in 1908 and went on to win that election."

Interestingly enough, the Taft's, a very conservative, yet very generous couple, traveled the world and brought "a renowned collection of fine and decorative arts" to their home that "helped their community grow culturally and economically." Before they passed away, Charles and Anna signed papers that bequeathed their home and the collection to the

people of Cincinnati. Thus, in 1932, after their deaths, the Taft Museum opened to the public. Pat, our docent at the museum, a retired school teacher who has volunteered at the Taft Museum for 15 years, gave us all of this wonderful information and explanation as she toured us throughout the museum.

Too, our UPSILON members viewed the historic paintings of Jacob Lawrence that were on display until January 17. Moreover, we were happy that several of our newer members had invited their friends to our breakfast and the tour! One has decided to join our Chapter, and the other is seriously considering it. Inviting friends to our meetings and letting them learn what we are all about, and their joining in on all of our fun and fellowship, has been one of the most effective tools in increasing our membership. All of us know how challenging it can be to maintain and increase our membership, especially nowadays when everyone appears to be overly involved, but we just keep on keeping on, letting others know what a privilege it is to belong to such an honorable organization like DKG. Through these invitations, since September, we have had four to join, and several more will join us in May.

In addition to our fulfilling day, members of UPSILON brought in a generous amount of personal items to be given to the Brighton Women's Center in Newport. Brenda Staggs, Chair of special projects for over 15 years, and her daughter, Sarah, delivered them to the center.

Furthermore, Upsilon members are looking forward to our March 19 meeting with ZETA, our sister chapter, at the Ft. Mitchell Country Club.

Too, we are excited about, and we anticipate meeting and hearing our State President, Pascal Bailey, who will join us that day for a great time of fellowship.

mind our members who might not be able to get out and enjoy the hustle and bustle of people coming and going during the holidays. That thought goes into action as members visit and send cards, as we support one another no matter the circumstances. We have a strong commitment for both internal member support and outside community support.

All committees work continually to strengthen our Chapter and none has been busier than our Strategic Action Plan Committee that is charged with developing procedures and processes that will, among other things, help our Chapter to attract new members and expand our membership. This plan was presented to the membership at the December meeting for their input before the Committee presents the final plan to the state organization. Committee Chair Ann Hafling explained the goals for increasing and retaining membership and described the component pieces of the plan. Then, each table worked on one of the other areas: Finance, Leadership Development, Communications and Organizational Effectiveness. Ann has engaged our president Diana Motsch and member Diana French to do final revisions.

The Nominating Committee has also been busy developing a slate of officers, as well as finance and nominating committee members, who will guide ALPHA BETA for the next two years. We have been extremely fortunate to have dedicated members who build strength into our organization because of their leadership roles. We anticipate that strong leadership to continue.

Left to right: Pam Manker, Linda Mauser (hiding) Marylyn Majancsik, Linda Mauser, Karin Edgington, Judy Jackson, Estelle Martin, Cathy Feldman, Carol Howard, Brenda Staggs, Rebecca Thomas, Brenda Herrick, Judy Ihrig, Leah Runyon, Rebecca Taylor, Pam Thomas, Karen Martin, and Roberta Schultz.

Seated: Docents Jane and Pat, and Priscilla Roberts.

In an effort to build on-going communication avenues to our membership, our president Diana Motsch surveyed our group to determine what social media each member uses in addition to e-mail. The results of this survey will be sent to Bonnia Cook Fouts and will support the Society's communication processes. Diana has done an excellent job of keeping the membership informed of all pertinent information.

Finally, we are looking forward to a rewarding time at our Spring Convention in Pikeville and all that the sisters there are planning for us.

Our meetings continue to be the venue for recording and keeping up with all committee tasks. The majority of our meetings are held at Harvey Browne Memorial Methodist Church in Eline Hall, where we also enjoy fun and fellowship over dinner.

## ALPHA BETA – LOUISVILLE, KY

by Brenda Logan

The holidays are a time to enjoy family and friends and just absorb the excitement of the season. The ALPHA BETA sisters also keep in

In December our own Barbara Hicks entertained us by playing Christmas music prior the start of the meeting, followed by Anthony Ransom, Director of Music at St. Paul Catholic Church and School, who amazed us with his musical talent. Additionally, members brought slightly used clothing to the meeting to donate to Dress for Success, and we were reminded to bring items for Family Scholar House to the February meeting when CEO Cathe Dykstra will speak. We will also bring Valentines with messages for the men and women in our local Veteran's Hospital to let them know we care and appreciate what they have done for our country.

We have also built inroads with other local DKG chapters by participating in joint activities. We close by sharing that we are so grateful for all our Chapter members who help us to reach the goals we set as we work continually to be a healthy DKG chapter!

It was a musical night! Barbara Hicks played Christmas favorites on the piano as members assembled at Harvey Browne Presbyterian Memorial Church.

Bonnie Abner and Diana French got into a dancing mood, swaying to "Jingle Bells!"

After our delicious meal, Anthony Ransom, Music Director for St. Paul's Catholic Church and School, amazed us with his talent. He took

requests and let us have a sing-a-long all without music!

Betty McKay delivered an inspiring Thought for the Day before the meal began.

During the Business section of the meeting, Ann Hafling led our members through a discussion of our Strategic Action Plan.
