ADDENDUM #2

### **International Guidelines for Sale of Items**

The following guidelines are in compliance with articles of the *Constitution* and *International Standing Rules* dealing with the sale of items and the use of Society symbols. The Delta Kappa Gamma Society is a not-for-profit organization classified under Section 501 (c) (6) of the U.S. Internal Revenue Code. The Society is not exempt from payment of sales tax. State organizations should investigate the sales tax requirements in their respective states, provinces and countries and adhere to them. Failure to comply with sales tax requirements will put the Society in jeopardy of losing its not-for-profit, 501 (c) (6) status.

Many state organizations have developed sale items to support activities congruent with the purposes and projects of the Delta Kappa Gamma Society International. These items provide visibility for the Society and should reflect a professional image.

#### **Guidelines:**

1. Sale of items by vendors should be scheduled at times other than Society general sessions or business meetings.
2. Items should be of high quality, reflecting the professional image of the Society.
3. The Society key should not be used on items designed for sale by members, chapters, state organizations, and any other vendors.
4. Items may be advertised in state organization or chapter newsletters or brochures, consistent with postal regulations.
5. Society Web sites will include no direct advertising except for international non-dues-revenue partnerships or fundraising by members that benefit state organizations and/or chapters. (International non-dues-revenue partnerships include the Society jeweler, insurance partners, and approved international affiliates. Fundraising by individual members does not include third-party business agreements.)
6. All vendors are responsible for obtaining all required governmental (state, province, county, city, country) sales tax numbers in the location where the event is held. All vendors are responsible for paying all applicable sales taxes to the governmental unit.
7. Permission must be obtained for any materials protected by copyright.

The Delta Kappa Gamma Society International has adopted the following governing rules pertaining to the sale of items: *Constitution*, Article X, Section A

#### **3. On-Site Sales**

- a. Favors and decorations or items officially approved by the Administrative Board or the Executive Board may be sold at international conventions or regional conferences. State organizations desiring to sell their Society items shall follow the *International Guidelines for Sale of Items*.
- b. A fee in the amount determined by the Administrative Board shall be charged to any state organization, chapter, or other vendors who receive permission from the board to sell items at regional conferences or international conventions. A list of all approved vendors shall be forwarded to the convention/conference steering committee.
- c. International committee members selling official Society documents shall not be charged a fee. *International Standing Rule 1.04* The key of the Society may be used on official Society materials such as stationery, yearbooks, Web sites, and programs.

*Adopted by Administrative Board – November 17, 2010*
