

## Women in the Arts Retreat

Please join us for WOMEN IN THE ARTS The magic is realizing that those who say that they aren't artistic return home from WITA weekend with beautiful art work. The magic is that you believe in yourself, explore projects with your peers, and that you are a student of your peers. The magic of friendship just happens. All I know is that that feeling of purpose and love are overwhelming. The laughter is contagious. The form for this year's retreat is below.
