

**Eta State
Sisters get
on the bus!**

Ladies,
This is a way to put “**Going Green**”
into action. It’s an effective, efficient
way to travel to the convention and
just think of the fun you will have.

Our own Thomasa Stammer,
affectionately known as Thommi,
will be the bus
“hostess with the mostess.”
There will be games, fun and fellow-
ship from Jacksonville to Asheville .
What a way to build **collaborative
relationships** and **strong bonds!**
Bus prizes will be given periodically.
You might even win a coupon that
will pay for some of your trip.

Consider moving beyond
“**traditional thinking**” and get on
the bus! Make your way to
Asheville or Bust!

Thanks to Sheila Groves for putting
this brochure together!
