## President's Message

Happy New Year! I hope this message finds everyone well as we venture into another year.

In 2023, our chapter found itself knee-deep in plans for State Convention 2024. Locations, times, and menus have been chosen. New friendships have been formed and old friendships have been strengthened. Registrations will soon be sent out and the fruits of our labor will be realized.

Even though the State Convention was a priority this last year, let's not minimize the other great things our chapter accomplished. We had a great time with our annual fudge-making fundraiser as well as awarding four Golden Apple grants. Not bad for a small chapter.

May 2024 bring our chapter continued success in all our endeavors.

## Omicron General Meeting Minutes Minutes from 11/16/23

Maria Miller called the meeting to order at 4:30 p.m. Jackie gave the Inspiration. Heidi Hull shared the treasurer's report. The balance of the checking account remained unchanged at \$6500.00. Beta still has \$100 in their savings and we have \$75 in the Sisterhood fund. Heidi also let us know that she has filed the 990.

The previous minutes are posted in the newsletter. The minutes were approved as posted.

Under State Reports, Maria shared deadline dates for awards. We nominated Julie Street for the Rose of Recognition award. We did not nominate anyone for the Exemplary Service award.

For our Committee Reports, Marlene stated she will not be creating a newsletter after the State Convention. Marlene said she will update the website information for our chapter, however.

Under Old Business, State Convention was briefly discussed. We still need items for our rose themed raffle basket.

Under New Business, there was discussion of a change of date for the fudge sales at the museum. Because of the date change, we determined that it was not feasible for the chapter to do the fundraiser this year. Julie made a motion to postpone fudge making until next year. Pilar seconded the motion. The motion passed. Possible dates for the distribution and awarding of the Apple Grant were discussed, but no dates were determined. A small group will get together in December to review the Golden Apple Grant application and distribution dates. Marlene made a motion to increase the award from up to \$250 to \$500. Heidi seconded the motion and the motion passed. Upcoming meeting dates were reviewed. We will invite Xi chapter to our March meeting.

Due to other time commitments, our chapter decided not to do New Teacher Bags this year.

The meeting was adjourned at 5:24 p.m.
