

2016 Membership Committee Report

A primary goal of the Membership Committee this biennium is to assist chapters as they develop their membership. The theme for this challenge is “Retain, Reinstate, Recruit”. Some specific activities are:

- Share ideas for programs and activities.
- Share ideas to recognize excellence in current members.
- Provide information from DKG Regional and DKG International to assist with recruiting and other membership issues through brochures and other materials. These are available at state meetings and as requested.
- Include articles in the Oregon Trail regularly.
- Communicate with individual chapters to provide assistance as requested.
