### CATCH THE WAVE IN PENDLETON!

Western Oregon University just played host for several faculty candidates in the Division of Teacher Education. I was able to see Oregon and its beauty through the eyes of a number of people who were visiting Oregon for the first time. They all remarked about the emerald color of the grass and the beauty of the landscape. After weeks of rain, it's often easy to overlook the beauty that surrounds us, and it was fun to see our state through new eyes. As I walked my dog this morning, I could see flowers blooming and the sun peeking out behind the clouds. Spring is definitely in the air.

I had the opportunity to travel to Grants Pass and Medford in February to attend a joint Omega and Epsilon chapter meeting. What fun it was to spend time with so many wonderful women, sharing fellowship and enjoying each other's company. **Claudia Dow** (Omega) delighted us all with a workshop on *Mindfulness*. It was a fantastic day!

There is still time to nominate one of your outstanding chapter members for her work in for education, in service to community, and to Delta Kappa

Gamma. The deadline for nominations is coming up (March 15), so please consider nominating one of your deserving members. Contact Priscilla Ing or Kathy Webster for more information. (See the article on p. 7.)

Have you had a chance to read *Annie Freeman's Fabulous Traveling Funeral* yet? Kris Radish's brilliant novel was our first choice for Alpha Rho State Oregon's first Book Club. We will have a Book Club meeting during one of the workshop sessions in Pendleton. Slide on your red high-top sneakers and join us for a lively conversation about Annie Freeman and her friends.

*Catch the Wave in Pendleton!* Special thanks to **Kelly McIntyre** (State VP, Psi/5), **Vickie Jackson**, and all of **Iota Chapter** for all the work they are putting into the preparation of our State Conference in Pendleton. Please check out the workshops, keynote speakers, and other fun events that have been prepared just for you. Make sure you reserve your room at the Wildhorse Resort, and send in your conference registration.

In addition to all of the Conference details, Chapter Presidents will take part in a special workshop on Sunday morning, May 1. Our morning will focus on growing and supporting membership. If you can't make it, please make sure to send a designee. We have lots to discuss.

**Thank you** to Chapter Presidents for working to meet deadlines for Chapter Necrology and Presidents' Reports. Your dedication and work are much appreciated.

I look forward to seeing you in Pendleton!

*Take care, Cindy*

## IS YOUR CHAPTER A WINNER?

*By Kathy Martell  
2013-2015 State President*

**It can be--if your chapter supports a literacy project!** Winning chapters will receive money at the State Conference in Pendleton to help with their projects. Projects can be the BEAR project, a Little Free Library, or anything else that supports literacy at any age. To receive your money, you must complete the following steps:

1. Write one or two sentences about what your project is and send them to Kathy Martell at [kkm-4dkg@gmail.com](mailto:kkm-4dkg@gmail.com) by **April 11**. Anything later disqualifies your chapter.
2. Have a member registered by April 11 and attending the State Conference in Pendleton where the money will be given out. If no one is registered from your chapter by **April 11**, your chapter will be disqualified and your funds will be put into the 2016 State President's Fund.

**Don't delay!** Get those sentences written and in today. This will be the easiest money you will ever receive to support your good causes!

The money is coming from what was set aside from the basket drawings during my biennium, to help pay the state's part of dues for early career educators when they were initiated into the society. Since only one or two people have used that money, I want to distribute it to chapters to support literacy around the state. The amount you receive will depend on how many winning chapters we have.

## MORE LITERACY NEWS--AND YOU ARE INVITED!

### Beta Beta Chapter – Literacy News

The Literacy Committee of Beta Beta Chapter will host local author Phillip Margolin to Beta Beta's April 11 meeting to speak about his current book, *Violent Crimes*. This thriller is described as, "a mesmerizing tale of suspense where attorney Amanda Jaffe becomes entangled in a murder case involving Big Oil, an estranged father and son, and the greatest ethical dilemma of her career".

An open invitation to the public is being extended via Beta Beta's secret Facebook page, and members are copying this and posting it on their own Facebook pages to invite friends. We look forward to an interesting program by this New York Times best-selling author. Annie Bloom's Bookstore will also be there to offer Phillip Margolin's book for sale.

# WONDERFUL WOMEN OF ALPHA RHO!

Do you know of some wonderful women in your DKG chapter, right? How can you celebrate and share their accomplishments? Write a letter of nomination telling of your outstanding chapter member(s) in light of her work for education, her service in the community, or her contributions to Delta Kappa Gamma. Send your letter to our State President or the Awards Co-chairs (below). Yes, you can do so electronically.

Tell us about your chapter's wonderful women by **March 15, 2016**. Recipients of Service to Education, Service to Community, and Service to Alpha Rho will be announced at the Oregon State Conference in Pendleton in April.

## FROM THE U.S. FORUM: **CHILD BRIDES**

Although 18 is the minimum legal age for girls in the United States to marry, younger girls do get married either with the consent of their parents or the approval of a judge. In the U.S., the problem of girls under the age of 18 being forced into marriage by family members is beginning to get attention by researchers. The non-profit Unchained At Last investigated marriages in New Jersey between 1995 and 2012 and found that 178 marriages of children between 10 and 15 were approved by judges. A 2011 survey by the Tahirih Justice Center identified 3,000 known or suspected cases in the previous two years alone of girls in the US as young as 15 who were forced to marry under threats of death, beatings, or ostracism. The problem is not limited to girls. In 2006, a 10-year-old boy was married to an 18-year-old woman. In 1996, a 12-year-old girl married a 25-year-old man with judicial permission. Part of the problem is public ignorance of the problem. In addition, there are currently no federal laws that cover the problem, and state laws dealing with the subject vary widely. In-depth studies of the problem have just begun in the last few years.

## **OREGON INFO—added for your interest.**

**Who can marry in Oregon?** In Oregon, you must be 17 years old before you can marry. If you are under 18 years old, you must have the written consent of a parent or guardian before you can marry. An exception applies if you have no parent or guardian living in Oregon. You cannot marry a first cousin or anyone nearer of kin to you (unless they are your first cousin by adoption).

## CHAPTER CHATTER

### District 2

**Epsilon (Medford & Ashland):** In December, Epsilon had a potluck luncheon with a holiday theme; our program/entertainment was the “Plaza Players,” a large group of women who play the ukulele, conducted by our own Barbara Meredith. Most live in various retirement homes in Medford. They played some fun sing-along tunes, and then launched into a concert of Christmas music that we all joined enthusiastically. It was a happy, uplifting experience. The meeting theme was based on the poem, “The Night Before Christmas” and we had some history about it and played a gift exchange game, where we passed the gift every time the poem said “and”! It was active and fun, and we all went home with a gift.

On February 13, Epsilon hosted yearly joint meeting with Omega Chapter, and they gave the program. We had a salad luncheon afterward, and our guest was Cindy Ryan, the State President. It is always enjoyable and inspiring to get together with the Omega gals!

**Omega (Josephine Co.):** On March 7, Omega is hosting an “open-to-the-public” workshop on Autism, presented by our own Kim Roberts, Three Rivers School District Teacher Consultant on that topic. So far, 32--yes, 32!—guests have registered, representing various local schools and colleges. [P.S.: Omega had a great time visiting Epsilon last month. They were gracious hostesses.]

### District 3

**Sigma (Bend, Redmond, Central Oregon):** Members have organized the Care Bag Project for the last 14 years. They rotate Head Start Schools in Madras, La Pine, Redmond, and Prineville. This year will be to Prineville, where 80 bags were assembled to be distributed March 8. They contain a coloring book, crayons, a hot wheels car, a toothbrush & toothpaste (often donated by local dentists), a washcloth and soap, two reading books donated by Friends of the Library in Madras & Prineville, socks, a comb, a stocking cap donated by several knitters, and a soft polar fleece blanket. A longer article with picture was in the Prineville *Central Oregonian* and Madras *Pioneer* in February.

*Members of Sigma Chapter working on Care Bags include Terri Comment, left, Sandy Loomis, Terryl Kollen, Karen Adams, Mary Reed, Glenda Holzfuss, Carol Bicart, Laurie Sensibaugh and Christine Sime.*

## CHAPTER CHATTER, continued

### District 5

**Alpha Epsilon (Salem & Polk Co.):** Our retired members met early in February to send coffee cards and Valentines to all working members. We will be meeting in March in our newest member's classroom to learn about the teaching experiences of two members in Shanghai, China. In April, we are hosting a panel presentation on Early Education Readiness. Several members are planning to attend the Oregon Conference in Pendleton. See you there!
