Kappa Theta Sisters,

Tuesday's meeting marked the beginning of the new 2010-2012 biennium which means new roles for members, each one vital to the work of Kappa Theta! Every Sister jumped right into the Rosebud Activity and the Committee Meetings to define how they fit into the big scheme of things as we start our two year journey. A big "thanks" to everyone!

The outstanding work of the finance committee resulted in a lean budget that set our membership dues at only \$80.00, a real bargain considering the benefits in store for members through the creative programs and worthwhile projects orchestrated by the committees and officers. And we will all know what's going on when we take advantage of the new Kappa Theta website and its many resources. Opportunities + organization + communication = great experiences. That is the goal of everyone in the chapter!

Next month's meeting marks the annual payment of dues and the nomination of new members, both of which play a big role in the vitality of the Chapter. Also, October is our month to support PediPlace by donating the usual baby/children supplies along with books to feed the body and soul of the young visitors to the free clinic.

Welcome aboard! Let the journey begin! We'll each do our part to make it a great one!

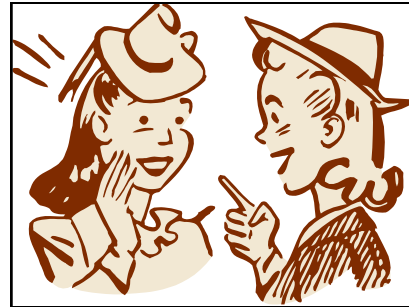

*Diana*
