Kappa Theta Sisters,

I know you will agree that “time flies when you’re having fun!” , and how the last two years have flown by!

The last meeting of the biennium included the annual birthday celebration for both Delta Kappa Gamma International and our own Kappa Theta Chapter, followed by a Recommitment Ceremony for all of us. Then we started counting our blessings.

Our award winning Newsletter and Yearbook are representative of the hard work of their creators, and the multiple successes of our many projects are evidence of the dedication of all of the Kappa Theta Sisters. The number of “10 minute segments of time” given by our members would certainly fill a chest and represent the most valuable possession of the chapter. Kappa Theta Sisters, thank you for your time!

The 2010-2012 Executive Board was recognized for providing the leadership that kept the chapter on track and the president in line. I am truly complimented by being given the Achievement Award for 2012; no greater honor can be bestowed by the chapter to one of its own.

The meeting concluded with the installation of the new 2012-2014 officers, a passing of the torch for a new biennium. Another perfect meeting, drawing from the past, enjoying the present and looking forward to the future, concluded as always with the Delta Kappa Gamma Song. It doesn’t get any better than that!

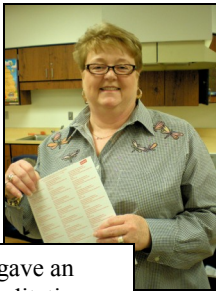

Enjoy your summer! See you in September!

Diana
