

"It is the responsibility of every human being to do something worthwhile, to make this world a better place than the one he/she found." Albert Einstein

The Sigma State Foundation was established in 1999 as a 501 (c) 3 not for profit organization through the efforts of Sigma State members and a bequest from Dr. Lorraine Missling. Dr. Missling, a former Sigma State president and member of Sigma and Kappa chapters, recognized the importance of a foundation, and her bequest was instrumental in creating the Foundation.
