Note: Sigma State Graduate Study Scholarships are awarded once each year at the state convention in the spring. Successful applicants **MUST** attend the state convention in order to receive the award. Scholarships are for academic coursework undertaken during the summer session, fall and spring semesters immediately following the state convention. Occasionally a few supply requests or nominal special expenses such as thesis duplication may be received pre-approval from the scholarship committee and be reimbursed.

The scholarship recipient will be reimbursed after the Sigma State Scholarships chair receives:

- ◆ Proof of successful completion of the coursework taken during the scholarship year
- ◆ Receipts for coursework tuition and pre-approved expenses

Other application for funding: If you have applied, or expect to apply, elsewhere for any fellowship or scholarship for the academic year covered by this application, please explain the status of that application. This inquiry includes sabbatical awards.

Educational goals statement: This is a very important part of your application.

Please describe your purpose and plans for advanced study. Your plans must include a list of the required courses for the degree for which you are a candidate. List the courses you plan to take during the year for which the scholarship is awarded.

What impact do you believe the attainment of this degree will have on:

- ◆ Your professional life?

- ◆ The students you teach?

References: Please list three persons that have submitted references for you.
**Remember that these references must be included in your application packet and that the packet must be in the Sigma State Scholarships chair's hands by March 1.
