

Privacy Policy

Suomen Delta Kappa Gamma -yhdistys ry. DKG Finland.
DKG International Conference in Tampere. Registration.

We collect this information in connection with your registration to the DKG International Conference in Tampere 26-29 July 2023. The Society (Finland) has adhered to complying with legislation on data protection, electronic communication (917/2014 Fin) and other regulations.

- The registration form collects identification data, name, email, contact information, conference products and/or services and payment information by Paytrail.
- We collect and use only data which you have given in your registration form, and which is necessary for arranging the conference activities.
- After full registration you will have confirmation email automatically from the registration system provider from email address no-reply@eventos.fi.
- Customer survey or feedback is voluntary.
- We aim at not using cookies.
- We do not collect information on the conference webpage.
- The conference website has links to other third-party websites. Our privacy policy applies only to our website. So, if you link to a third-party Website from our Website, you will leave our Website and this Privacy Policy will not apply to your use of, and activities on, those other Websites. Any Personally Identifiable Information you provide while visiting a third-party's Website will be collected by, and controlled by the privacy policy of, that third-party. We encourage you to read the legal notices posted on those third-party Websites, including their privacy policies.
- Since you are a member of the DKG Society International, we may use that information, if necessary.
- We do not collect information to any other third parties outside the Society, Eventos/Prospectum registration, Paytrail for payment processes. We recommend you read Paytrail privacy policy.
- Only persons involved in the registration, payment processes, organizing the conference and meals have access to necessary information.
- We publish only statistical information.
- The registration system is protected with secure data protection.
- When using registration information, we follow the necessary carefulness when handling information. (Hetil 32§)
- We store your data only in the registration system, which is legally necessary for payment information, taxation and financial purposes and book-keeping of the conference and the Society (Finland) and will be destroyed after necessary time. We keep the information only as long as necessary for the mentioned legal obligations the Society (Finland) has.
- We have only the information you have given. You can correct it when necessary.
